May 4, 2020

Dear Rising 6th Grade IEYMS Families,

I hope all is well with you and your family. It probably seems like such a short while ago that your child was entering elementary school with a sense of excitement and perhaps some apprehension. Now, here we are six years later, and you and your child are preparing for middle school. My name is Tawanda Robinson, and I am so excited to welcome you to Isaac E. Young Middle School.

While we were supposed to have our scheduled 6th Grade Parent Orientation coming up shortly, we unfortunately will not be able to hold the event. The IEYMS 6th-grade staff is disappointed that we are not able to greet you at this year's Family Orientation. We are also regretful that we are unable to meet the students for their annual visit to Isaac E. Young Middle School. On behalf of the entire IEYMS 6th grade team, we look forward to partnering with you as your child transitions into middle school. We know that the middle school transition is such an important time in a child's educational career. We are committed to providing you as much information as possible through virtual and digital platforms.

I am currently working with the IEYMS team to determine the best ways to support you and your child during this transitional period. We will update our current presentation to ensure that the information is clear and provides a detailed view of what you and your child can expect as a 6th-grade student. Hopefully, this information will assist you in becoming acclimated to our school building. It is my hope to have the presentation ready by May 27. Should circumstances change and schools open under normal operating conditions, we may be able to host a summer parent orientation as well as 6th-grade visits.

Isaac E. Young is truly a special place, and we have so much to offer. It is my hope that this is just the beginning of what will be a wonderful experience. I look forward to meeting you and your child. Please stay encouraged, stay safe, and know we will be ready to greet the **IEYMS Graduating Class of 2023. Go Knights!**

In partnership towards a remarkable middle school experience,

Dr. Robinson, Ed. D.
Interim Principal
