Physics II

Advanced Placement classes are conducted at a college level and enrollment in these courses is a privilege. Highly qualified students will be selected to participate in these courses through a rigorous application process. **Cheating or plagiarism in any form will not be tolerated in any Advanced Placement course offered at SHS. Any such unethical behavior will result in removal from the course and may also result in disciplinary consequences. In addition, prompt and consistent attendance to these classes is recommended. Absenteeism, for any reason, disrupts the continuity of the learning process and may adversely affect the student's overall academic performance in class as well as on the AP exam in May.** Signatures are required below by the applicants and the parent/guardian to acknowledge the rigor and expectations demanded by Advanced Placement studies and that the student will take the AP exam in May if enrolled in the course.
