Area: 31.4 square miles
Population: 39,559
Location: Eastern tip of Fairfield County. Along the banks of the Housatonic River and the highly industrialized Route 8 corporate corridor.

FACULTY
Shelton High School has a professional staff of 135 teachers, including 10 special education teachers, 10 curriculum leaders, and two media specialists. Support staff includes 7 school counselors, school psychologists, 1.5 social worker, 4 instructional tutors, 1.5 speech/language pathologist, 11 paraprofessionals, 4 job coaches and 2 nurses. Administration consists of 1 headmaster and 3 housemasters. Eighty percent of the professional staff hold advanced degrees.

CURRICULUM
The curriculum accommodates those students who wish to attend higher institutions of learning, as well as those who desire employment after graduation.

GROUPING
In addition to the honors program, there is homogeneous grouping in English, Mathematics, Science, and Social Studies. All students are grouped on the basis of recommendation of teachers, counselors, and standardized tests.

MEDIA CENTER
The Media Center is staffed by the district library media specialists who are two certified teachers. There are 23,000 books and many magazines in the library. Students have access to the Internet from 200 computers located in the Media Center. In addition, the library website provides 24 hour online access to the Destiny Library Catalog, Ebooks, Online Databases including EBSCO & ICONN (magazine and information databases), UCONN ECE links and more.

VIRTUAL HIGH SCHOOL
Virtual High School is an accredited provider of "for-credit Net Courses." VHS offers 335 courses in a variety of academic disciplines. Courses are delivered via the Internet.

CORE VALUES, BELIEFS, AND LEARNING EXPECTATIONS
The Shelton High School community believes that a safe, respectful atmosphere must be established and maintained for all students to achieve excellence and become responsible citizens. Within this environment, we expect all students to be engaged learners and critical thinkers who demonstrate technological literacy.

We believe:
• A respectful, safe atmosphere must be established and maintained for successful teaching and learning;
• Students, staff, and parents, in cooperation with community members, must share responsibility in the teaching and learning process;
• A rigorous curriculum must be provided to accommodate and challenge students in order to prepare them to participate productively in a global society;
• Instruction must provide opportunities for all students to work independently and collaboratively.

Learning Expectations
• Reads and writes effectively
• Researches effectively to investigate topics
• Thinks critically to solve problems
• Presents information and ideas fluently
• Participates actively in civic life

CLASS RANK
Class rank is determined by utilizing the number of quality points for each subject, which is assigned an academic level. This is computed by adding all the quality points earned and dividing by the number of courses assigned quality points. This is done for each school year.

UNWEIGHTED GPA VALUE
The College Prep level is the unweighted GPA value for all coursework.
