

Shelton High School

Community Service Approval Form

Shelton High School is a learning community where students are expected to meet high academic and behavioral standards while developing to their full potential. We are committed to providing our diverse student body with a safe environment characterized by respect. Our staff, students, parents, and community work collaboratively to encourage life-long learning and responsible citizenship. As part of our social and civic expectations, the Shelton High School student contributes responsibly to the school and community, values diversity and its importance, understands democratic thought and process, takes responsibility for his/her education and demonstrates respect, integrity, and honesty in all endeavors. Shelton High School students are required to complete 10 hours of community service per year, a total of 40 hours prior to graduation. Students will receive .1 credits for 10 hours of service each year. Students may not earn more than .1 credits per year for service. All service hours must be completed prior to May 1st. Students who do not earn their .1 community service credits will not be promoted to the next grade. The following organizations have been pre-approved and you may contact them immediately to begin hours:
