June 26, 2020

Congratulations on completing the most uniquely challenging school year in the history of the New York City Department of Education. Our students, their families, and our staff have time and time again demonstrated an ability to overcome any obstacle that came their way. It may not seem like it now, but the ability to adapt and find a way to get the job done over these last 4 months will serve you well in the future.

Please monitor Pupil Path and our school's website, IS27.org, for news and updates for the 2020-21 school year. These updates will likely arrive in mid to late August.

We do not yet know what school will look like next year. We promise that no matter what, our staff and administration will be here to offer help in any way that we can.

I am so proud of how our school community came together throughout this experience.

I look forward to seeing you all in person whenever we are able to.

I hope you and your families have a healthy, happy summer.

Sincerely,

Matthew Barone
Principal.
