School Spirit Events 2018-2019

There are proven correlations between School Spirit and academic achievement. This online research was conducted by Harris Poll among students, parents and principals across the United States to learn more about school pride, academics, self-esteem, community involvement and more. Here at IS 27 we want to see our students soar to their highest potential! So we are setting in place these School Spirit events to show that we are a community, a family and together we will help and encourage each other to reach the stars! Listed below are School Spirit events that we will hold during the following months of our 2018-2019 school year. We hope you will encourage your children to participate by wearing something appropriate to the theme of the day!!

<u>September</u>	13- Favorite Football Team (Jersey) day 14- School spirit day (Prall wear) 21- School spirit day (Prall wear) 28- School spirit day (Prall wear)
