

## **ANNING S. PRALL, I.S.27 – PARENT TEACHER ASSOCIATION**

### **RE: Parent Teacher Association Membership Donation Request**

It is hard to believe that our first quarter is now behind us and our students are well on their way to fulfilling another academic chapter in their lives! We are honored to serve our school to ensure that our students and families are embraced in not only the academics of all that Anning S. Prall has to offer in preparing our children for their future education, but also to promote a community that can come together as one to share personal growth amongst each other.

We can only do this with your help through donations and fundraisers. An example of this is the fabulous HALLOWEEN BASH your child recently attended. It was the talk of the hallways and the students are already looking forward to next year! We have many other get-togethers planned throughout this year and are asking for your continued support.

As a parent or guardian of a child at IS27, you are automatically a member of our PTA. With this in mind, our PTA is reaching out to all community members to help support our future endeavors. No contribution is too small and every contribution is used to fund everything from student activities, community gatherings such as our up-coming Family Cultural gathering and game night to assisting with our Library's monthly book club to 8<sup>th</sup> grade graduation needs. Won't you please donate today? Kindly please complete the form below and return it in the attached envelope with your donation. Be sure to check the areas below for which you would also like to be included in. Your information is held in the strictest of confidence. Thank you in advance for all your help. **Be sure to complete all information on the face of the envelope.**

Sincerely, IS27 PTA Team
