In this month's Tiger Times Newsletter: Special things happening at Teachers Prep; June 2019 Regents Schedule; Student Opportunities; Student Highlights; Community events and more.

Town Hall: Teachers Prep held grade specific town halls on April 29-May 2 for all grade levels in the gym and library. The Town Halls served as a way to educate our students about the CDOS (Career Development and Occupational Studies) opportunity that can be used as an **endorsement** to their high school diploma or plus one option towards their regents requirement. A student who accumulates 216 work readiness hours throughout their 4 years of high school can earn an extra seal on their diploma that recognizes them as having obtained basic work skills and experiences. This will help keep them ahead of the game when they apply to jobs in the future.

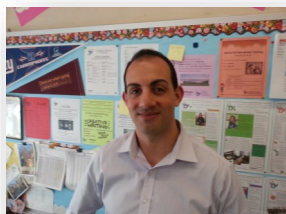

What to look forward to...
