Dear Parent or Guardian of Upper Nyack Elementary School Student:

To coincide with our district-wide exposure to careers, Upper Nyack is planning to present information on careers during the month of March. During morning program for the month of March, we would like to expose our elementary students to career specific informational talks by volunteers in our community.

We are reaching out to the valuable members of our community and would love for you to participate! Do you have an exciting career that you would like to share with our students? Are you an entrepreneur, medical professional, or service related employee?

If you are available and willing to share your career with the students of the Upper Nyack Elementary, please return the form below to Mr. Jon Hogg or Ms. Marina Gomez by email at jhogg@nyackschools.org, or mgomez@nyackschools.org by fax at 845-353-7262 or by hand to the counseling office at Upper Nyack.

We are looking to schedule dates throughout March with the exception of March 20th as school is not in session. The time period would be 8:35 – 8:55. We will be holding these sessions in all purpose room. If you would like to utilize a PowerPoint for your presentation, please let us know in advance. Handouts related to your career will always catch the student's attention.

Thank you, please do not hesitate to call if you have any further questions.

Sincerely,
Lorraine Longing
Director of Guidance
