

# PAVING THE WAY TO EXCELLENCE

BE PART OF THE TRADITION OF EDUCATIONAL EXCELLENCE

## MANHATTAN CATHOLIC SCHOOLS

has long been recognized as an outstanding educational institution. The school's K-8th grade programs provide an exceptional academic and spiritual experience to nearly 300 children. This wonderful reputation is largely due to the high quality of our teachers.

As part of the "Teaching Excellence" campaign, we are offering you the opportunity to place a personalized stone paver at the Manhattan Catholic Schools.

Manhattan Catholic Schools has touched the lives of many families and individuals and would like to accommodate all requests; however a limited number of pavers are available. Pavers will be sold on a first-come first-serve basis.

Orders will continue to be taken as long as supplies last. Your gift to Manhattan Catholic School is fully tax-deductible.

**ORDER YOUR  
PAVER TODAY!**

Pavers may be inscribed with your name, or they may be purchased to memorialize a dear friend or to recognize others. The 4x8" Pathway Red pavers will be located in the entryway to the Manhattan Catholic Schools grade school building.

Each personalized paver can be purchased for \$250 and will accommodate three lines of text with 15 characters per line. Proceeds will be deposited in the Monsignor Luckey Endowment Fund.
