

Dear Senior Parents;

Although there certainly are privileges to being a senior in high school, many senior-year activities-- college application fees, senior portraits, attending the prom, senior dues, and senior trip--cost a lot of money. The cost of the final year of high school takes many parents by surprise. Therefore I have created a checklist of some items you will need to keep in mind while preparing your child for their most exciting high school year!

Please be advised that students are able to fund raise by selling candy as a means to defer the costs of senior events. This candy can not be sold within the school and must be attained through Ms. Lentini ONLY. Since it is almost impossible to accurately pin point the exact costs of the below items, senior dues is just an estimate. Therefore, if there is any funds collected in excess it will remain in the senior account and used for items related to senior students. Details will be given out at parent/student luncheon and directly to the student in the beginning of the school year.

**September 15, 2018 – 12:30 pm- Senior Family Luncheon** –all things you need to know for senior year will be discussed at this luncheon including helpful tips on how to pay for all of the below items without actually paying for it!!!
