Dear Parents/Guardians:

At William B. Ward Elementary School, we like to think of every week as “Education” week. Parents are welcome to visit our school to see their children at work.

We would like to extend to you a special invitation to visit our school during this week of national recognition – November 14th – November 18th. Please restrict your visit to the scheduled time only. Check in at the front desk so that we will know you are visiting.

Sincerely,

Franco J. Miele
Principal

P.S. Please refrain from bringing younger children on visitation day as they can distract when being themselves.
