Dear Third Grade Families,

In the event that Ward School will close for an extended period of time, we are providing our students with some activities to keep them learning and Engaged in all that we have taught them so far this year. We want them to Maintain their skills and stay active even if we are not at school together.

Coming home with your child today you will find some reading and math practice activities. Please also utilize **DreamBox** and **RazKids** as resources for Learning.

We hope that you all stay safe and healthy!

Sincerely,
Ward School Third Grade Teachers
