

Fifth Grade School Supplies

Dear Parents/Guardians,

Welcome to the fifth grade! We are very excited to be your child's teachers for the 2020-2021 school year. We anticipate that with your child's strong efforts and your support, this is going to be a fantastic school year! Your child will need a variety of supplies throughout the school year. In an effort to ensure that all students are prepared for the start of school, we have created a list of supplies that he or she will need. We have attempted to be thorough in our requests, but if you feel as though your child needs additional supplies please ensure that it is all labeled well with your child's first and last name. If you are unsure of which supplies to purchase or have any questions or concerns with regard to the supplies, please do not hesitate to contact us. We ask that all supplies be sent to school no later than **Monday, September 14th**. Thank you for your cooperation. We look forward to meeting and working with your students.

Sincerely,

Ann Briscoe (abriscoe@nredlearn.org)

Matthew Reid (mreid@nredlearn.org)

Ana Wiesner (awiesner@nredlearn.org)
