

Mrs. P. Anderson

Art Department, William B. Ward Elementary

Dear Ward Parents and Anderson's Artists,

Hope all my Anderson's Artists are doing well. We can all keep learning at home. I recently learned that the Beardsley Zoo has made some beautiful coloring pages. They are sharing them for free on their website: <https://www.beardsleyzoo.org/coloring-pages.html>. These coloring pages started as photographs from Zoo volunteers and photographers. They have shared them in a way that you can print out and color. Which is your favorite animal? What do you know about this animal? Can you draw your own coloring page? Maybe draw your favorite animal. Can you combine two different animals and/or animal parts to create a new animal? (Some real ones do exist such as a liger). What would you name it?

I'd love to see your work when we return to school. Please stay well. Have a wonderful day!
