

3rd Grade Dual Language Distance Learning Plan (update for Week ending April 3rd)

Sra. Ponce, Mrs. Henry & Ms. Cave

Dear family,

The following slides are to help you with this week's home study. Please use your best judgement on when and to what extent the assignments below are completed. Your child can work at his or her own pace. While our goal is to continue to engage the children in their learning, we understand that this is a difficult time for everyone. Please encourage your child to do their best! We do not want anyone to become overwhelmed or stressed by these assignments.

Here are some tips that might be helpful:

- **Create more frequent breaks**
- **Use a timer for pacing**
- **Do one or two assignments instead of all of them**
- **Pick up where you left off and continue**
- **If the work seems too difficult, modify as you see fit**
