

Ms. Marini's Art Class

Dear Ward Parents,

As we are entering our third week of being out of the Art Classroom, Room 115 at Ward School, I miss of all my wonderful students and the ability to continue our hands-on activities using the art materials that we have in our classroom. Nevertheless, we will press on! I was determined to learn how to use Google Classroom to enhance the students' experience of their online distance learning for art. Feel free to visit your child's Grade Level Art Classroom and check out last week's projects as well as the new art projects that are available for him/her. Please note that these activities are not mandatory. They are available to enrich your child's learning experience by providing them with a visual learning outlet. The projects are usually an excellent tool for family togetherness if you want to join in and complete a project with your child.

I am thinking of you and your families, and I am sending good wishes for the best health and safety for everyone during this unprecedented time in history. Please let your child know that I say hello and miss their smiling face in my art classroom. I look forward to getting back to our classroom and seeing all my students very soon!

Warm Regards,

Ms. Marini

How to Join My Google Art Classroom

Students can join my Google Art Classroom by visiting this link: <http://classroom.google.com>

1. **Sign in with your @nredlearn.org account.**
2. **Click on the black plus sign in the top right corner and "Join Class".**
