

Math Assignment

March 10, 2020

Dear Parents/Guardians:

As we await the Governor's decision for possible school closure, we want your children to have meaningful work to do at home, should our district close. Below is a list of assignments the students will complete *if* the school does close.

I'm sending home worksheets and the Rally Math Test Prep book. If there is a question your child does not understand, have them circle the question and we will review it when we return to school. Again, this is just in case the school ends up closing.

Day 1	Math Worksheets
Day 2	Math Rally Test Prep Book: Pages 5-10
Day 3	Math Rally Test Prep Book: Pages 11-16
Day 4	Math Rally Test Prep Book: Pages 17-20
Day 5	Math Rally Test Prep Book: Pages 21-25
Day 6	Math Rally Test Prep Book: Pages 26-30
Day 7	Math Rally Test Prep Book: Pages 31-35
Day 8	Math Rally Test Prep Book: Pages 36-40

*For any additional time off, students have a multiplying decimals packet to complete. Students should go on Dreambox for math practice if they have access to a computer.

I will post updates via Remind app. **If you have any questions, please email me at kratigan@nredlearn.org.**

Thank you for your support at this time!

Warm regards,
Ms. Ratigan
