

September 7, 2018

Dear Members of the SCS Community,

As you may remember, last year we started a SCS Community Partnership. The purpose of the partnership is to include all stakeholders in discussion about topics that impact student learning as addressed in our school strategic plan. Last year we had positive feedback from the meetings and we gained a great deal of valuable information that has helped inform many of our decisions for the 2018-2019 school year.

We are pleased to announce that we will be continuing with the meetings again this year. **The first one will take place on Wednesday, September 26th from 5:30-7:30 p.m. in the school cafeteria.** This will be an opportunity for parents and community members to meet all middle school teachers and hear about topics that are specific to grades 6-8. Teachers will give brief presentations and then collect input/questions from the parents and community members through table discussions. We welcome all those interested in learning more about what happens in the upper grades at SCS, even if your child is not a middle school student yet.

The focus of the partnership will include the following topics:

- **Reporting on Student Learning in Grades 6-8**
- **Middle School Advisory Groups and Student Led Conferences**
- **Middle School Communication (Powerschool & Seesaw)**
- **General Middle School Questions and Ideas**

In order for us to plan for refreshments, **please call (860-435-9871 ext. 100) or email (pstevens@salisburycentral.org) Patti Stevens by September 21st** to let us know if you will be attending. When you RSVP, you may also request childcare which will be provided by the 8th grade through the PTO.

We thank you for considering our invitation to join this partnership and we look forward to seeing you at the September 26th meeting!

Sincerely,

Mrs. Stephanie Magyar
Principal SCS
