BREAKING NEWS: SALISBURY CENTRAL PROVIDES FREE MEALS

Beginning September 21, 2020 the parents of children aged 18 and younger may request free breakfast and/or lunch from Salisbury Central School regardless of where they live or what school they attend. The meals will be paid for by the State of Connecticut through funding from the USDA. This is an extension of the program that was implemented last spring to ensure that children have access to nutritious meals while the country recovers from the COVID-19 pandemic. The program will continue through December 31, 2020 or until the available funding runs out.

Students currently enrolled at Salisbury Central will receive their meals in school during the school day. Meals for all other children must be ordered in advance and picked up at the SCS elementary building each day (M-F) between 9-9:30 a.m.

If you are interested in taking advantage of this program, please contact Sue Bucceri at 860-435-9871 ext. 102 or sbucceri@salisburycentral.org for more information.
