

## Salisbury Sneaker Drive

Hello everyone,

I am organizing my Sneaker Donation for 2019! If anyone has any useable old, outgrown, or just never getting used sneakers, please donate them to the Sneaker Drive. Any and all sizes are appreciated. I use these sneakers for students who forget to bring their sneakers to PE. Now that winter is here, I know many students will be wearing boots to school and forget their sneakers. I also have students who forget what day they come to PE. I'm hoping this will help these students remember their own sneakers but also allow them to participate more in PE! If you have sneakers to donate, please leave them in the office near my mailbox.

Thank you all for the support,  
Mr. Janco
