

Join us for another great idea.

# The Sound of Nature's Music

**Thursday,  
Aug. 30  
4 pm**

---

Children's room

---

Main Street,  
Salisbury, CT

---

Scovil-  
leLibrary.org

---

860-435-2838

**A program for kids and their parents.  
Identifying animals by sound is a great  
way to get to know the  
creatures who call CT home.  
Birds singing, toads trilling, coyotes  
howling...learn about the “music” of  
our animals. Also meet a barred owl!**
