Dear Students and Parents,

On Tuesday, November 6 from 6:30-8:00 pm, the faculty and staff of Housatonic Valley Regional High School will host an Open House for 7<sup>th</sup> and 8<sup>th</sup> grade students and their parents. At this event, students and parents will have the opportunity to visit different areas of the school, meet with members of each department, learn about extracurricular opportunities, and visit the Mahoney-Hewat Science and Technology Center and the Art Garage.

At HVRHS and at your student's elementary school, we are planning to make the transition to high school - and the entire high school experience - a memorable one. We are honored that you are considering Housatonic Valley Regional High School for your student's high school education, and we know that you will be impressed with the comprehensive offerings we have for students at all levels of academic performance across a range of subjects.

The format for this event is somewhat informal. Please come to the cafeteria when you arrive. The department representatives, athletics, and many of the club advisors will be there to answer questions. After visiting there, you can take a student-guided tour to other areas of the school or do a self-guided tour.

Thank you for your interest in Housatonic, and we hope to see you on November 6!

Sincerely,

~ Ian
