

To All SCS Families:

SOAR is excited to announce that the 2020 Winter/Spring catalogue will be sent home to everyone next Friday, January 31st. through your child's homeroom teacher. Registration for the next term of classes will open that day. On-line registration will be open through February 12th. Final confirmation of classes will be received by February 17th and many classes will begin that week. There are 16 different workshops being offered for grades 1-8 in a wide range of topics from fitness and mindfulness to puppetry to art to dance to STEAM classes, all being taught by great instructors. There are many new offerings and many old favorites to choose from.

Please look for the catalogue in your in-box beginning next Friday and we hope you will sign your child(ren)up for the many great classes being offered.

Best,
SOAR
