Matt Janco	Physical Education	Jess Willey	S. E. Teacher Assistant
Tracy Kaufman	Teacher Assistant		

HELPFUL PEOPLE AND THEIR ROLES

Dr.. Pam Vogel, Superintendent 824-0855
 Ms. Lisa Carter, Assistant Superintendent 824-0855
 SCS Main Office 435-9871
 Mrs. Stephanie Magyar, Principal ext. 101
 Mrs. Sue Bucceri, Board Clerk/Secretary ext. 102
 Mrs. Pat Stevens, Secretary & Transportation ext. 100

Mrs. Donna Begley, Counselor ext. 130
 Mrs. Fran Goodsell, Psychologist ext. 129
 Miss Kirsten Durbrow, MS Secretary 435-4509 or 435-9871 ext. 200
 Mrs. Mary Cadman, Nurse 435-0254 or 435-9871 ext. 105

VISION STATEMENT

The Salisbury Central School learning community works together to empower all students to be inquisitive, independent, and responsible citizens of the global society. We guide and foster each child's intellectual, emotional, social, and physical development in a safe, challenging, supportive, and collaborative learning environment. We are committed to ensuring that all students leave us prepared for successful learning beyond our school.

We Believe:

- All students can learn.
- All students will have equitable access to an effective instructional program.
- All staff are committed to continuous professional growth and improvement.
- All members of the community are partners in the learning process.
- All members of the community respect one another.

SCHOOL COMMUNICATION

It is important for communication in a school to remain open between parents, students and teachers. When a concern arises, it is hoped that it can be resolved by directly contacting the student's teacher. If this attempt, in your view, is unsuccessful, the next person to approach is the Principal. If the concern is still unresolved, the parent should contact the Superintendent of Schools, Dr. Pam Vogel. If the concern persists, the parent may then contact any member of the Board of Education.

BOARD OF EDUCATION

The Board of Education believes that the ideal learning environment is one in which students, parents, teachers, administrative staff, and the Board of Education work together towards the continued improvement of the educational process.

Board of Education meetings are always open to the public (with the rare exception of "Executive Sessions"). These meetings are usually held on the fourth Monday of every month (except for July) at the school. The BOE does not meet in June or December. Meeting agendas are posted in the Salisbury town hall, in both buildings at the school as well as on the school website.

During formal meetings, there is an opportunity for the public to speak when the Board asks for any "Public Comment." The Board welcomes suggestions and questions and will take them under consideration. However, according to policy, the Board cannot devote its meetings to discussion or debate not on the formal agenda. For a given citizen's question or suggestion to be placed on the agenda as a specific item, and to insure its receiving consideration at that meeting, the Board must have at least eight days' notice, in writing, that the item is to be raised. Thus any necessary study or investigation can be started and the Board members will have background information upon which to base the discussion.

Board of Education Members:

David Valcin, Chair
Joanne Hayhurst, Vice-Chair
Barrett Prinz, Secretary
Dave Bayersdorfer
Keith Moon
Natalia Smirnova
Jacquie Rice

Jennifer Weigel, Representative to the Region One Board of Education
David Valcin Alternate Representative to the Region One Board of Education

Note: This list may change after the municipal elections in November 2019.

COMMUNITY RELATIONS (Parent Involvement)

The Board of Education recognizes that a child's education is a responsibility shared by the school and family during the entire period the child spends in school. To support the goal of the school district to educate all students effectively, the school and parents must work as knowledgeable partners.

Although parents are diverse in culture, language and needs, they share the school's commitment to the educational success of their children. The Salisbury school district, in collaboration with parents, shall establish programs that enhance parent involvement and reflect the specific needs of students and their families.

To this end, the Board supports the development, implementation, and regular evaluation of a parent involvement program, which will involve parents at all grade levels in a variety of roles. The parent involvement programs will be comprehensive and coordinated in nature. They will include, but not be limited to, the following components of successful parent involvement programs:

- Communication between home and school is regular, two-way, and meaningful.
- Such communication may include monthly newsletters, required regular contact with all parents, two flexible parent-teacher conferences for each school year [required beginning July 1, 2010], and drop in hours for parents, home visits and use of technology such as Seesaw.
- Responsible parenting is promoted and supported.
- Parents play an integral role in assisting student learning.
- Parents are welcome in the school, and their support and assistance are sought.
- Parents are full partners in the decisions that affect children and families.
- Community resources are made available to strengthen school programs, family practices and student learning.

The Board of Education supports professional development opportunities for staff members to enhance understanding of effective parent involvement strategies. The Board also recognizes the importance of administrative leadership in setting expectations and creating a climate conducive to parental participation.

In addition to programs at the school level, the Board of Education supports the development, implementation, and regular evaluation of a program to involve parents in the decisions and practices of the school district, using to the degree possible the components listed above.

Engaging parents is essential to student achievement. This school district shall foster and support active parent involvement.

R.S.S.C. (REGIONAL SCHOOLS SERVICES CENTER)

The Regional Schools Services Center is responsible for the administration of the Region One School District. Region One includes the six local elementary schools of Salisbury, Cornwall, Falls Village, Kent, North Canaan, and Sharon, and their regional high school, Housatonic Valley Regional High School. The administrator of Region One is Superintendent of Schools, Dr. Pam Vogel. Dr. Vogel can be reached at her office (824-0855). The Regional Schools Services Center is located next to Housatonic Valley Regional High School in Falls Village.

Included in the Regional Schools Services Center is the Pupil Services Department. The Director of Pupil Services, Mr. Carl Gross, can be reached at his office (824-5639). This department provides Salisbury Central School with four classroom teachers, a psychologist, a speech and language clinician, an occupational therapist, a physical therapist and several paraprofessionals.

The Pupil Services department also provides Salisbury Central with four special education teachers: Mrs. Rebecca Gaschel-Clark, Pre-K; Mrs. Mary Bush and Mrs. Traci Marshall, Elementary School; and Mr. Michael Diorio, Elementary and Middle School. The Pupil Services Department provides special education classroom aides as needed.

NON-DISCRIMINATION POLICY

Salisbury Central School does not discriminate in any employment practice, education program, or educational activity on the basis of race, color, religious creed, sex, age, national origin, ancestry, marital status, sexual orientation, gender identity or expression, disability (including, but not limited to, intellectual disability, past or present history of mental disorder, physical disability or learning disability), genetic information, or any other basis prohibited by Connecticut state and/or federal nondiscrimination laws. Salisbury Central School does not unlawfully discriminate in employment and licensing against qualified persons with a prior criminal conviction. Salisbury Central School is committed to a policy of equal opportunity/affirmative action for all qualified persons and equal access to Boy Scouts of America and other designated youth groups.

The person designated to coordinate the Salisbury Central School Board of Education efforts under Title IX and Section 504, including the investigation of any complaint is the Director of Pupil Services, Mr. Carl Gross who is our Title IX Coordinator. Inquiries regarding Salisbury Central School's nondiscrimination policies and practices should be directed to: Mr. Carl Gross, Director, Pupil Services, Regional School District No. 1, 246 Warren Turnpike Road, Falls Village, CT 06031, (860) 824-5639.

SCHOOL HOURS

	Drop Off Begins	Students Enter Building	Instructional Day Begins	Instructional Day Ends
Elementary School	8:25 am	8:30 am	8:40 am	3:05 pm
Middle School	8:15 am	8:20 am	8:25 am	3:00 pm

Students should not be dropped off before the times noted for each building as there is no one on duty to supervise them before the designated drop-off time. Middle School students must be present and seated in their first class by 8:25 a.m.; otherwise, the student will be marked tardy to school.

The Elementary and Middle School buildings have designated "drop off" areas. Please do not use the areas marked "Buses Only." Students being dropped off for instrumental lessons or band rehearsal before school are to be dropped off in the main circle at the upper building. Students in the Elementary School who are being picked up after school should be picked up in the main circle. After 3:20, elementary students need to be picked up in the lobby. Walkers will be dismissed with students who are being picked up. Bus students are dismissed after the walkers and pick ups have left the building.

Students who are staying after school for school-sanctioned activities (example: ball games) must arrive at school on the day of the event with written parental permission. Verbal permission will not be sufficient. If a student does not have written permission to stay, they will be asked to go home at dismissal time.

REGISTRATION FOR SCHOOL

Children who will be five years old on or before December 31 are eligible to enter kindergarten in September. Kindergarten registration dates are held in the spring. When registering a child for the first time, parents must submit a birth certificate. Children moving into the township of Salisbury from other towns should contact the school office to have records transferred. It is suggested that health records be hand carried to the office at the time of registration. State law requires complete immunization records before a child may be admitted to any grade.

RESIDENT AND NONRESIDENT ATTENDANCE

RESIDENT STUDENTS

A student will be allowed to enroll in and attend the Salisbury Public Schools if the student is a resident of the Town of Salisbury, Connecticut.

Determining Residency

1. The Principal or his/her designee as agent for the Board of Education may require documentation of residency from a parent or guardian, a relative or non-relative, an emancipated minor, or a student eighteen years of age.
2. Documentation of residency is the obligation of the parent or guardian, the relative or non-relative, the emancipated minor, or the student eighteen years of age. Documentation may include but not be limited to an affidavit attesting to residency.

NON-RESIDENT STUDENTS

The Board of Education may approve requests to admit non-Salisbury residents under certain circumstances. There will be no tuition charged for these non-resident students:

1. Former Students:

When a student becomes a non-resident of the District after Thanksgiving of a school year, the student may be permitted to continue in attendance without charge for the remainder of that school year under all the following conditions:

- a. A written request for such accommodation is made to the Board by the parent or guardian of the student(s).
- b. Space is available and a program can be provided without an increase in size of staff.
- c. The parent or guardian assumes all responsibility for transporting the student to and from school.
- d. The student has a record of good citizenship at the school and continues to abide by the rules and regulations of the school and the district.

2. Future Residents

The children of families who have signed a contract to buy or build or lease a residence in the school district will be allowed to enroll during the semester in which they can reasonably prove that they will become residents under the following conditions:

- a. Parents must assume responsibility for transportation to and from school until the family takes occupancy of the home in Salisbury.
- b. The non-resident admission status is limited to a semester. Request for extension must be made to the Board of Education.

3. Hardship Cases

In compliance with state and federal law, the Board will enroll homeless children and youth, regardless of the lack of personal and/or medical documentation normally required for enrollment. However, school administrators shall require the parent/guardian to provide contact information prior to enrollment.

4. Foreign Students

Foreign students living with local residents will be considered to be local residents provided the student's living arrangement is expected to be permanent, without pay and not solely for educational reasons. Students in a federally-approved student exchange program can also be admitted.

5. Non-resident Professional Staff Members' Children

Requests from certified and non-certified staff that work at Salisbury Central School and reside outside the community, requesting that their child and/or children be enrolled in the local elementary school will be evaluated and determined on an individual basis:

- a. A Staff Non-Resident Attendance Request Form must be submitted to the Board by the parent or guardian of the student(s) by April 15th.
- b. Space is available and a program can be provided without an increase in size of staff.
- c. The parent or guardian assumes all responsibility for transporting the student to and from school.
- d. The student has a record of good citizenship at the school and continues to abide by the rules and regulations of the school and the district.
- e. In the case of deciding on the allocation of available spaces for those requests received by the BOE by the April 15th deadline, requests will be prioritized in the same order Salisbury uses for its Pre-K program: Regular residents, Certified full-time (to include SCS and Pupil Services),

Certified part-time, Non-certified full-time, Non-certified part-time. Requests received after April 15th will be honored at the BOE's discretion.

APPEAL PROCESS

Except as specifically noted in the above policy, the Superintendent of Schools has the decision-making authority in all matters addressed by this policy. Any persons aggrieved by a decision of the Superintendent of Schools shall have the right to appeal to the Salisbury Board of Education. Any such appeal must be processed through the office of the Superintendent of Schools and must be brought within a reasonable time from the date of the Superintendent's decision, but no later than thirty (30) calendar days after the decision. The appeal must be presented in writing. The Board shall give such person a hearing within ten working days after the receipt of the written request and provide a written decision within ten working days following the conclusion of the hearing.

EXTRAS

EXTRAS is a supervised after school program for children ages 5-12. It is a year round program, which provides children with games, arts and crafts, nutritious snacks, and, on occasion, field trips. The program provides childcare for school age children after school during the school year and full time during vacations and summers. For more information regarding EXTRAS, please call the co-directors, Miss Mia Stevenson or Miss Alissa Riley, at 435-9926.

RECREATION PROGRAM

The Salisbury Recreation Commission offers a sports program to all children who are Salisbury residents. The program often shares school facilities. Salisbury Recreation programs have a permission slip that is labeled as coming from the recreation commission. The permission slip includes information about the program, including the dates and times the particular program is held. Mrs. Lisa McAuliffe, Director of Recreation, can be reached at her office (435-5186). Information regarding the programs offered through the Salisbury Recreation Department can be found at www.salisburyct.us/recreation.

ABSENCES

A pupil must, by State Law, attend school regularly except for personal illness, death in the family, emergency medical or dental treatment, or other necessary reasons if approved by the school principal.

We request that parents telephone the school between 8:00-8:45 A.M. to inform us of your child's absence (school: 435-9871, nurse: 435-0254). Otherwise, as a safety precaution, we will call you at home or work to verify your child's absence.

PLEASE NOTE: Any student that stays home or is sent home from school due to a fever must not return to school until they have been fever free, without Tylenol, for 24 hours.

Any student not in attendance for three (3) consecutive hours, assuming normal dismissal time, during the school day may not attend or participate in any school sponsored activity that day unless approval has been secured from the principal in advance. A student may attend a school-sponsored activity on a day when his or her absence was waived.

On March 26, 2013, Salisbury Central adopted the State mandated administrative regulations for school attendance and truancy. It is important that parents understand the definitions included in these regulations as follows:

1. "Absence"- any day during which a student is not considered "in attendance" at his/her assigned school, or on a school sponsored activity (e.g. field trip), for at least one half of the school day.
2. "Excused Absence" - An absence from a regularly scheduled school day for at least one-half of the school day; for which absence, the school has received written documentation describing the reason for the absence within ten days of the student's return to school, or the child has been excluded from school in accordance with section 10-210 of the Connecticut General Statutes, and meets the following criteria:
 - a. Any absence before the student's tenth absence is considered excused when the student's parent/guardian approves such absence and submits appropriate written documentation; and

- b. For the student's tenth absence and all absences thereafter, a student's absences from school are considered excused only for the following reasons:
- i. student illness (verified by an appropriately licensed medical professional);
 - ii. religious holidays;
 - iii. mandated court appearances (documentation required);
 - iv. funeral or death in the family, or other emergency beyond the control of the student's family;
 - v. extraordinary educational* opportunities pre-approved by the district administrators and in accordance with Connecticut State Department of Education guidance;
 - vi. lack of transportation that is normally provided by a district other than the one the student attends.

* To qualify as an extraordinary educational opportunity, it must meet the following criteria:

- a) The opportunity must be educational in nature. It must have a learning objective related to the student's course work or plan of study. Not all memorable and/or life experiences would be considered educational and, therefore, would not be available for this exemption.
- b) It must be an opportunity not ordinarily available to the student.
- c) It must be grade and developmentally appropriate.
- d) The content of the experience must be highly relevant to the student.

3. "In Attendance" – any day during which a student is not considered to be absent from his/her assigned school, or from an activity sponsored by the school (e.g. field trip), for at least one half of the school day.

4. "Student" -a student enrolled in the Salisbury Central School.

5. "Truant" - any student five (5) to eighteen (18) years of age, inclusive, who has four (4) unexcused absences from school in any one month or ten (10) unexcused absences from school in any school year.

6. "Unexcused absence" – any absence from a regularly scheduled school day for at least one half of the school day, unless the absence is an excused absence as defined above or the absence is a disciplinary absence.

The building Principal or his/her designee will make the determination of whether an absence is excused. Parents or other persons given control of the child may appeal that decision to the Superintendent or his/her designee, whose decision shall be final.

7. "Written Documentation"- includes a signed note from the student's parent/guardian, a signed note from a school official that spoke in person with the parent/guardian regarding the absence, or a note confirming the absence by the school nurse or by a licensed medical professional, as appropriate, that explains the nature of and the reason for the absence as well as the length of the absence.

When a student is considered "truant" according to the aforementioned definitions, parents will receive notification from the Principal requesting a meeting to discuss and remedy the situation. If a lack of attendance continues, State statutes mandate that the Principal notify the Department of Children and Families and/or the Superior Court.

In situations that involve a pre-planned absence for an "extraordinary educational opportunity" during the time that school is in session, parents must request permission for the absence and explain how the trip meets the requirements as noted in the definitions above. Please use the Pre-planned Absence form to make this type of request. You can download this form from our website or obtain a copy from the main office.

TARDIES

If students arrive after school begins (8:25 for Middle School and 8:40 for Elementary School), they are considered to be "tardy." When tardy, students must report to the Main or Middle School office. Continued tardiness will result in parent contact.

EARLY STUDENT DISMISSAL

If students must be dismissed from school before the end of the regular day, a note from the parent(s) or guardian(s) must be presented to the Main or Middle School Office at the beginning of the school day.

The note must include:

1. The date and time the student will be excused.
2. The reason the student will be excused.
3. The name of the person who will pick up the student.
4. The signature of the parent or guardian.
5. A phone number where the parent or guardian can be reached to verify the dismissal.

Students who are dismissed are to be picked up in the Main or Middle School Office at the dismissal time. Parents/Guardians must sign dismissed students out in the Main or Middle School Office.

SCHOOL CLOSINGS AND DELAYS

Delayed openings in Region One will usually be 2 hours or may in rare cases be 3 hours. The Superintendent decides to cancel school or delay its opening based upon the advice received as to road conditions throughout the Region One School District. It is important to keep in mind that the decision is not based on conditions in one or two isolated spots. Therefore, parents should evaluate the conditions that exist in their immediate area before deciding to send their children to school if it is in session.

In addition to being contacted by telephone and/or email through the SchoolMessenger system, notice of all school cancellations or delayed openings will be broadcast on Connecticut radio/television stations.

The announcement will say, "ALL SCHOOLS IN REGIONAL DISTRICT ONE," unless there is an emergency closing unique to Salisbury Central (for example, a broken water pipe). School cancellations and delayed openings are also posted on the school's website <http://www.salisburycentral.org>. If you have signed up for our SchoolMessenger system, you will receive notification of delayed openings, school closings and/or unplanned early dismissals by phone call, text message, email or all three.

EMERGENCY DISMISSAL

Early emergency dismissal will either be at 1:10 P.M. or 12:10 P.M. The emergency dismissal will be announced on the same radio/television stations mentioned above as well as on the school website and through our SchoolMessenger system. Parents should be sure that their children know what to do and where to go after leaving the bus should there be an early dismissal due to inclement weather or other unforeseen circumstances. Please do not call the school regarding early dismissal, as this ties up the phone for emergency use.

REPORT CARDS AND CONFERENCES

Report cards are issued twice a year for Pre-Kindergarten and Kindergarten and three times a year for grades 1-8. There are parent conferences scheduled in the fall and student-led conferences in the spring for all students because report cards alone are not adequate indicators of a child's progress. A space is provided on the report card for either the parent or teacher to request a conference. Parents should feel free to ask for a meeting whenever a problem arises, not just at report card time.

LETTERS OF RECOMMENDATION

Requests for letters of recommendation for students applying to private schools should be made by the student four weeks in advance of the due date. We are happy to assist students with these letters but because we get multiple requests at the same time of year, sufficient time is needed to prepare the individual letters.

CLASS ASSIGNMENTS

Class assignments will be announced through teacher letters in mid-August. Because it is necessary to balance classes, requests for a specific teacher cannot be honored.

MIDDLE SCHOOL HONOR ROLL

Honor Roll will be compiled at the end of each marking period and will consist of the following categories:

Category	Learning/Learning Practices Expectations	
	Academic Achievement - Core Academic Subjects* and Unified Arts**	Learning Practices
Highest Honors	<ul style="list-style-type: none"> ● All As and 4s ● No Bs, Cs or NYPs 	<ul style="list-style-type: none"> ● All 4s ● No 1s, 2s, 3s
High Honors	<ul style="list-style-type: none"> ● A majority of As and 4s ● No Cs, 2s, 1s or NYPs 	<ul style="list-style-type: none"> ● A majority of 4s ● No 2s, 1s
Honors	<ul style="list-style-type: none"> ● A combination of As and Bs and 4s and 3s ● No Cs, 2s, 1s or NYPs 	<ul style="list-style-type: none"> ● A combination of 3s and 4s ● No 2s, 1s

*Core Academic Subjects - English/Language Arts, Math, Science, Social Studies and World Languages

**Unified Arts - Art, Music, Physical Education, Library, and Computer Science

In the event the student receives a grade of “I” (incomplete) they will have 10 days from the end of the marking period to complete missing coursework, barring exceptional circumstances.

Honor lists will be published in local newspapers for each of the three marking periods.

EXTRA-CURRICULAR ELIGIBILITY

The goal is to guarantee that students have multiple opportunities to learn the skills and content required for them to proceed to the next step in their learning.

At a minimum, students will lose the privilege of playing on a team or participating in an extracurricular activity if they are Not Yet Proficient (NYP) on one or more summative assessments at mid-term or on a report card.* The student, teacher, principal, and coach/advisor will meet to determine conditions under which the student can regain eligibility. Possible conditions include attending homework club, making up missing assignments, retaking assessments, reports of productivity during independent work periods, completing classwork and homework, and improvement of grades.

**Student Athletes:*

From the beginning of the marking period onward, when practical, students with NYPs must attend Homework Club until 4:00 and then attend the last hour of practice. Any player with outstanding NYPs will not be able to play in a game.

P.T.O. (PARENT TEACHER ORGANIZATION)

The Parent Teacher Organization of Salisbury Central School is an important link between parents, children, and the school. The PTO welcomes all parents of students at Salisbury Central. The purpose of the PTO is to integrate parents, educators, and community into a mutually cooperative, mutually supportive network. The network will seek to be a place to discuss and disseminate information, which is useful in providing the optimal educational and social environment for the children attending Salisbury Central School.

The PTO has an Executive Committee: President, Vice-President, Secretary, Treasurer, as well as chairpersons of the various fundraising initiatives.

The focus of the Salisbury Central Parent Teacher Organization (PTO) is fundraising to provide equipment, supplies and enriching educational experiences for the children of the school. In the past, funding has been provided for iPads, the Weatherbug weather station, the 2nd grade Jonathan Doster photo project, breakfast for students involved in state testing, the student musical and field trips.

VOLUNTEERS

Salisbury Central School has always been fortunate to have many dedicated volunteers who serve in our school. Volunteering can take many forms: accompanying a class on a field trip, reading to students, having lunch with students, baking/preparing food for a special class event, helping students with writing, presenting a talk, helping with a special project, and hundreds more!

Volunteering is a vital way for parents to stay involved in their children's education; it also offers a unique opportunity for community members to become involved with our school. Whether someone can offer one hour or hundreds of hours during the year, the right volunteer project can be found.

At the start of each school year and throughout the year, the PTO and teachers will invite parents and members of the community to become volunteers. For more information about the many opportunities that are available, please contact the principal's office or the PTO Volunteer Coordinator. ***All volunteers must check in at the office before going to the classroom.***

SOAR AFTER SCHOOL WORKSHOPS

Students may participate in a number of after-school workshops and classes organized by SOAR, Inc.. These programs provide enriching educational experiences for children throughout the school year. Flyers are sent home with the children explaining the classes that will be offered. SOAR also sponsors several all-school assemblies each year. More information regarding SOAR can be found by going to www.salisburycentral.org and clicking on School Resources.

LOST AND FOUND

All items found in school or on school property are placed in the lost and found. Please check in with the office in each building if you are in search of a lost item. All unclaimed items in the lost and found will be given away to charity at the end of the year.

CAFETERIA

Salisbury Central School serves nutritious meals every school day. Students may buy breakfast and/or lunch, which both include milk. The cost of breakfast is \$1.75 and the cost of lunch is \$ 3.00. Children from families whose income qualifies will receive meals for free or at the reduced price of \$0.30 for breakfast and \$0.40 for lunch. An application for free and reduced-price meals is given to students every September and must be submitted in order to receive this benefit. Parents may apply for free/reduced-price meals (breakfast & lunch) at any time during the school year. The application is always available on the school's website or from the main office. Students may also eat breakfast before they leave home and/or bring their own lunch if they prefer, and may purchase milk separately for \$0. 50. Students should bring a **nutritious** snack each day.

All students enrolled at Salisbury Central School have a personal cafeteria account. Our cafeteria software program is used to record and track purchases made by each individual student in the school. Parents are able to deposit funds into their child's account through an online payment system or by sending cash or a check to the school. This online system can also be used by parents to track their child's cafeteria purchases. Information about the online system is sent home to all SCS families each September and it can also be found on the school website under Cafeteria/Cafeteria Information.

The school cafeteria's first priority is to ensure that every student at Salisbury Central has access to nutritious meals every day. No student at Salisbury Central School will ever be denied a full breakfast or lunch from the cafeteria's daily menu based on their ability to pay or the balance in their cafeteria account. However, students that owe money to the cafeteria will not be allowed to purchase a la carte snacks or ice cream. Each Wednesday, an email/letter is sent to the parents of any student whose cafeteria account balance is less than \$0.00 informing them that there are no

funds available and asking the parent to replenish their child's account as soon as possible. If the parent does not replenish their child's account after receiving three weekly notices, the principal will contact the parents to request that they make a deposit into their child's account or to discuss an alternative payment plan. If the account is not replenished and no other arrangement is made by the parents, the account will be frozen. The parents will be informed that their child can no longer use their cafeteria account to make purchases and that they should send their child with food from home. If the child arrives at school with no food, they will be served an emergency meal.

If a student's cafeteria account has a negative balance at the end of the school year, their report card and yearbook will be held until the debt is paid or a payment plan is arranged with the principal. If the parent chooses not to pay the debt and the student is returning to Salisbury Central in the fall, the outstanding balance is carried over to the new school year. Parents are notified by letter at the end of the summer if their child's cafeteria account will have a negative balance to start the new year.

If you have any questions or concerns regarding your child's cafeteria account, please contact Mrs. Sue Bucceri by calling the main office or by emailing her at sbucceri@salisburycentral.org

FOOD IN THE CLASSROOM

At times, during the year, students celebrate special events. It is appropriate, during these activities, to have healthy food. Parents are encouraged but not required to provide healthy snacks for special classroom events such as special events, birthdays and class parties. The guidelines for classroom celebrations are as follows:

- Ideally, parents will provide the homeroom teacher with a minimum of 24-48 hours notice prior to sending in food for a celebration.
- The homeroom teacher will give notice to all parents prior to a planned birthday or holiday celebration.
- Soda or energy drinks will not be permitted for classroom celebrations.
- Candy is discouraged for birthday celebrations unless it serves as part of the decoration for a food item.
- The school will provide a list of healthy alternatives and non-food items that can be used for classroom celebrations.

Teachers are encouraged to find rewards and incentives that do not include food/beverages. Some academic activities lend themselves to the use of food and often the food is consumed after the event. It is strongly suggested that a nutritious selection of food be made available to the students during these times. The use of candy for any classroom incentive should not be an option.

The school encourages recognition of students for noteworthy work. It is the responsibility of the classroom teacher to determine whether food should be used during these occasions. The use of candy for any classroom incentive should not be an option.

Parents should not send candy to school for their child's snack. However, sweets are acceptable as part of a balanced snack or lunch. Also, parents are encouraged to discuss with their child's teacher, beforehand, any details of special events such as class parties, special events, birthdays, etc.

MEDICAL EMERGENCIES/SCHOOL NURSE

Mrs. Mary Cadman, school nurse, handles any illness and medical emergencies that occur during the day. When she feels a child should be sent home, the parent is notified. In September, parents are asked to complete an emergency form noting home and work phone numbers. Also required are the phone numbers of nearby friends or relatives who will take responsibility if the child is ill and the parent cannot be reached. In an emergency, if neither parent is available, the family physician or school medical advisor will be called.

All school children are screened annually for height, weight, vision and hearing. Referrals are made if necessary. Children with hearing problems, or potential problems, are tested monthly. State-mandated physicals are required within one year prior to seventh grade entry. All 7th and 8th grade students participating in after-school sports must have a complete physical exam before starting the sports season.

If it is necessary for a student to take any prescribed or over-the-counter medication during school hours, please obtain the proper forms from the nurse's office. Return the forms to the nurse with the medicine in the original

prescription bottle along with the physician's directions. *Please do not send any medication to school with your child.*

MEDIA CENTER

Children have an opportunity to borrow books from the media center at least once a week. When a child finishes his/her book, he/she may return it, and make another selection. When books are more than one week late, an overdue notice is sent to the classroom. After two weeks, a second notice is sent home, stating that the book or the replacement cost must be sent to school. If a student's library books have not been returned by the last day of school, their report card will be held until the books are returned or the replacement cost has been paid to the school. Parents can help by making sure that the children take good care of the borrowed books and send the books to school in their book bag to prevent weather damage. Mrs. Trudy Allyn is the Media Specialist for Salisbury Central School.

PHYSICAL EDUCATION

All students have Physical Education. Sneakers are required for Physical Education. It is suggested that girls wear shorts or pants on days they have Physical Education, or wear shorts or pants under a dress. Students in grades 6, 7, and 8 are assigned a lock and locker and need to change for gym class.

BAND AND CHORUS

In addition to the general music program, Salisbury Central School offers students the opportunity to participate in the school band beginning in the fourth grade, and in Middle School Chorus, beginning in the sixth grade. A Junior Chorus is also offered to 4th & 5th grade students. The band and chorus are under the direction of music teachers Mr. Rob Nellson and Ms. Athena Halkiotis.

All students who wish to learn a band instrument begin lessons in fifth grade. They may choose, with Mr. Nellson's assistance, what instrument they would like to play. Percussion instruments are generally started in the sixth grade. A child may elect to start any other instrument in the sixth or seventh grade, also.

The instrumental students participate in the various bands at Salisbury Central School. Junior Band is for the fourth and fifth graders. It meets before school at least once a week. Senior Band consists of the Middle School students. There is a rehearsal during school and occasionally before school. There is also a Jazz Band for selected students. All band students march in the Memorial Day Parade.

Middle School Chorus is open to all 6-8 students. It meets twice a week during the enrichment block with additional rehearsals near performance times. Junior Chorus is open to students in grades 4 & 5. It meets once per week during school hours and once per week before school. The chorus offers students the opportunity to explore the techniques of singing well and working together with a wide variety of music.

SCHOOL COUNSELOR

The Counselor's role typically includes four major components:

The Curriculum Component consists of structured developmental experiences presented to all middle school students through Developmental Guidance classroom activities that address the three primary domains of human development: Academic development, career development and personal/social growth. The curriculum lessons focus on decision making, goal setting, peer relationships, self-awareness, career awareness, the world of work, and educational and career planning. The counselor's responsibilities include the organization and implementation of classroom lessons and supervising Academic Support.

The Individual Planning Component consists of activities that focus on assisting each student to develop, analyze and evaluate his/her education, career and personal goals and plans. Individual planning activities address the same objectives for all students in a given grade. Functions of the counselor in this component include individual advisement, placement and appraisal.

The Responsive Services Component are reactions to the immediate needs and concerns of individual students whether these concerns involve individual or group counseling, working with parents, crisis intervention, consultation or referral to an outside agency. The Counselor is available to students who may need assistance in dealing with a new or difficult situation. Students may contact the Counselor for an appointment. Parent(s) or teachers may also request that the Counselor meet with a student.

The Systems Support Component activities are twofold. The first includes those activities that establish, maintain and enhance the preceding three program components. Activities in this component include program development, parent education, and community relations. The second aspect of systems support includes activities that support other programs in the school – helping administrators and teachers identify student needs, attending PPT's, being a member of the Student Intervention Team.

IDENTIFICATION OF CHILDREN WITH EXCEPTIONAL LEARNING ABILITY

STUDENT INTERVENTION TEAM

SCS teachers are committed to the success of each student. Toward that end, data teams composed of grade level teachers, special education teachers, math and reading support teachers, the school guidance counselor, the school psychologist and the principal meet three times per year to review student performance data and then identify those who are in particular need of support and/or enrichment. The specific intervention and/or enrichment strategies identified in those meetings are used during classroom or pull-out intervention sessions. Progress is closely monitored between Data Team Meetings and reviewed at the next meeting. Interventions are terminated or adjusted depending on individual student needs. This process serves all children and teachers at Salisbury Central School. It is not a special education service but recommendations for student support may result in a referral for a Planning and Placement Team. (See "PPT")

REMEDIAL AND ENRICHMENT ASSISTANCE

Salisbury Central School provides remedial and enrichment assistance in language arts and remedial assistance in math to children who have been identified. Teachers hold Data Team meetings three times per year for the purpose of reviewing student performance data and then developing corresponding intervention and support to ensure student success. Teachers monitor student progress in between Data Team meetings to verify the success of intervention strategies. Parents will be notified when a student is identified as needing more support or enrichment beyond the regular classroom instruction.

SECTION 504

Section 504 is a broad civil rights law that protects the rights of individuals with disabilities. A qualified disabled person has or has had a physical or mental impairment that substantially limits a major life activity or is regarded as disabled by others. Major life activities include walking, seeing, hearing, speaking, breathing, learning, working, caring for oneself, and performing manual tasks. A student is eligible if one or more conditions substantially limit a major life activity.

Salisbury Central School is responsible for the equal educational opportunities, rights and, as needed, plans, programs and services for students with disabilities under Section 504 of the Federal Rehabilitation and Americans with Disabilities Act and, under the Individuals with Disabilities Education Act. Should you have questions or concerns in this regard, please contact your school's 504 Coordinator (Donna Begley or Fran Goodsell, 860-435-9871) or the Director of Pupil Services (Carl Gross, 860-824-5639).

SUPERIOR LEARNING ABILITY

Students may also be identified as exceptional learners if they score in the 97% or above on the Wechsler Intelligence Scale for Children (WISC). With parental permission, students may be given the WISC in the middle of their 4th grade year after reviewing SBAC scores from their 3rd grade year. Students may also be referred for this test by a teacher or parent, during another time period, if the child demonstrates exceptional learning ability.

Students who score in the 97% or above on the WISC may then have an Individual Education Plan (IEP) if it is deemed necessary. The development of this plan will be undertaken by the classroom teacher and the enrichment

coordinator, who will act as the case manager. The plan will be reviewed semi-annually and changes will be made according to specific needs.

PPT (PLANNING AND PLACEMENT TEAM)

The Planning and Placement Team is a group of educational professionals who determine eligibility for special education, based upon the results of evaluations. The PPT includes a school administrator, a teacher, a member of the Pupil Services staff, and other specialists as necessary. If a student is determined eligible for special education services, an Individual Education Plan (IEP) will be developed.

SAFETY

Parents and the school staff must never lose sight of the need for careful control and safety. This includes bus-stop behavior, bus-riding behavior, walking to and from school, careful behavior in classrooms, corridors and play areas. Bikes, scooters and skateboards may not be used on school property during school hours.

SCHOOL-WIDE EXPECTATIONS FOR STUDENT BEHAVIOR

Salisbury Central School uses the PBIS (Positive Behavioral Interventions and Support) School-wide Continuum of Behavior Support. We have clear school-wide expectations for student behavior.

School-Wide PBIS provides an organizational approach or framework for improving the social behavior climate of our school and supporting/enhancing the impact of academic instruction on achievement and increasing proactive (positive/preventive) management.

PBIS is comprised of evidence-based behavioral interventions and practices that can be implemented by real users to effectively address and support the socially and educationally important behavioral needs of students and their families.

PBIS has its conceptual foundations in: (Source: *School-wide Positive Behavior Support: Getting Started Workbook*)

- Behavioral Theory: *Behavior is learned, lawful, and manipulable*
- Applied Behavior Analysis: *Behavioral theory is applied to socially important observable behaviors in the context of the applied settings in which they are observed*
- Positive Behavior Support: *Behavioral supports are considered in the larger context of improvement of quality of life*

At Salisbury Central School we expect our students to: ***Be Respectful, Be Responsible, and Be Safe.***

Below is what these expectations would look like in the classroom:

EXPECTATIONS	What the expectations look like in the CLASSROOM
Be Respectful	<ul style="list-style-type: none"> ● Stop and listen when someone speaks to you ● Follow directions of adults ● Use quiet voices ● Use good manners ● Be kind with your actions and words ● Take care of school property ● Tell the truth
Be Responsible	<ul style="list-style-type: none"> ● Arrive for class prepared and on time ● Be an active participant in class ● Complete all work as assigned ● Leave no trace
Be Safe	<ul style="list-style-type: none"> ● Walk while in the classroom ● Keep hands and feet to yourself ● Maintain personal space ● Follow school safety procedures

Here is what these expectations would look like at other locations in the school:

EXPECTATIONS	AM/PM Entry and Exit Procedures	Hallway and Stairway	Bus	Cafeteria	Recess	Hill
Be Respectful	*Be kind with actions and words *Maintain personal space *Stop and listen when addressed by an adult	*Use quiet voices. *Stop and listen when addressed by an adult. *Respect school property.	*Use quiet voices *Be kind with actions and words *Respect others and property *Listen to bus driver.	*Use quiet voices *Use good manners *Be kind with actions and words	*Be kind with actions and words *Be thoughtful of classes in session.	*Make way for others on the hill *Walk at all times *Maintain personal space
Be Responsible	*Be aware *Follow line-up procedures.	*Keep cubby/locker area organized *Arrive to class on time *Leave no trace	*Take care of bus and personal property *Leave no trace	*Eat your own food *Leave no trace	*Dress appropriately *Follow line-up procedures *Leave no trace	*Be aware of others *Pass in a timely manner Use hill time for passing *Leave no trace
Be Safe	*Walk at all times *Keep balls/toys in backpack *Use quiet voices	*Walk on right side *Walk and be aware *Maintain personal space.	*Walk to and from bus *Maintain personal space *Remain seated and facing forward when bus is in motion.	*Walk at all times *Stay seated while eating *Maintain personal space.	*Maintain personal space *Stay within playground boundaries *Use equipment properly	*Stay on the right side of the pavement *Walk and be aware at all times *Maintain personal space

SCHOOL-WIDE CONTINUUM OF BEHAVIOR SUPPORT*

A relatively small proportion of students (1-15%) have learning histories that cause general school-wide interventions to be ineffective (i.e., not responsive), and these students require additional specialized and individualized interventions. Thus, school-wide discipline systems should not be abandoned because the behaviors of these students are unresponsive. Instead, schools should think of school-wide discipline systems as being important foundations for (a) supporting the majority of students, (b) preventing the development of chronic problem behavior for students with high risk backgrounds and learning histories, and (c) identifying (screening) and providing more specialized and individualized behavior supports for students with high intensity, difficult-to-change problem behaviors.

The three tiered prevention logic organizes practices and systems along a continuum of increasing intensity and/or complexity. Student behavior responsiveness to intervention is used to match intervention intensity. Although the continuum is dynamic and blended, the three tiers are generally described as follows:

Prevention Tier	Description	General Response Criteria
Primary (Universal)	Practices and systems for all students and staff implemented across all settings.	Behaviors of 70 - 90% of students

Secondary (Targeted)	More intensive and specialized practices and systems for students whose behaviors have been documented as not responsive at the primary tier, and generally provided in a common or standardized manner in small student groupings.	Behaviors of 10 - 30% of students
Tertiary (Intensive)	Most intensive and specialized practices and systems for students whose behaviors have been documented as not responsive at the primary or secondary tiers, and generally are highly individualized to the specific needs and strengths of an individual student.	Behaviors of 1 - 10% of students

(*Source: *School-wide Positive Behavior Support: Getting Started Workbook*)

When a student misbehaves, the faculty and staff will respond in an appropriate way to address the behavior. Many offenses will be handled at the classroom level by the teacher. More serious offenses are documented with a Behavior Referral form and require that the principal or acting administrator(s) and/or counselor become involved in addressing the implications for discipline. All offenses, minor or major, will be dealt with in a thoughtful and discreet way.

The Board of Education recognizes that there are times when it becomes necessary for staff to use reasonable restraint or place a student in seclusion as an emergency intervention to protect a student from harming himself/herself or to protect others from harm. For more information, please refer to BOE Policy 5144.1 Restraint and Seclusion which can be found on the school website under Board of Education/Policies. A copy can also be reviewed at the main office of the school.

Some examples of minor and major offenses:

Minor Problem Behavior

- Inappropriate language
- Inappropriate use of electronic devices
- Physical contact (minor)
- Lying
- Unnecessary talking/Noise
- Disruption of class
- Tardy for class
- Unprepared for class
- Dress code violations
- Other

Major Problem Behavior

- Abusive/Profane language
- Computer/Technology violation
- Physical contact (major)
- Cheating/Lying
- Harassment/Bullying/Teasing
- Disruption of class
- Defiance/Disrespect
- Property damage/Vandalism
- Theft/Forgery
- Dress code violations
- Other

When necessary, consequences will be assigned to students in response to their behavior. Consequences are based on severity and frequency of the incident.

Please note: Major problem behaviors may disqualify students from participating in SCS after-school sports or activities on the day that the behavior is documented by the school.

Additional prevention supports as described in the tiers above may be put into place to provide structure for the student and communication between the home and school.

SUSPENSION AND EXPULSION POLICY

A. Suspension and Expulsion

1. A student may be suspended (in-school) or suspended (out-of-school) or expelled (grade three to twelve, inclusive) for conduct on school property or at a school-sponsored activity that endangers

persons or property, is of a publicized policy of the Board, or is seriously disruptive of the educational process, including but not limited to one or more of the following reasons:

- a. Conduct causing danger to the physical well-being of himself/herself or other people that is not reasonably necessary for self-defense;
- b. Intentionally causing or attempting to cause physical injury to another person that is not reasonably necessary for self-defense;
- c. Intentionally causing or attempting to cause damage to school property or material belonging to staff (private property);
- d. Stealing or attempting to steal private or school property or taking or attempting to take personal property or money from any other person;
- e. The use, either spoken or written on clothing, of obscene or profane language or gestures on school property or at a school-sponsored activity;
- f. Deliberate refusal to obey the directions or orders of a member of the school staff;
- g. Harassment and/or hazing/bullying on the basis of that person's race, religion, ethnic background, gender or sexual orientation;
- h. Open defiance of the authority of any teacher or person having authority over the student, including verbal abuse;
- i. Threatening in any manner, including orally, in writing, or via electronic communication, a member of the school including any teacher, a member of the school administration or any other employee, or a fellow student;
- j. Blackmailing a member of the school community, including any teacher, member of the school administration or any other employee or fellow student;
- k. Possession of a firearm, deadly weapon, dangerous instrument, or martial arts weapon, as defined in Section 53a-3, including but not limited to a pistol, knife, blackjack, etc.;
- l. Possession of any weapon or weapon facsimile, including but not limited to knife, pistol, pellet guns and/or airsoft pistols;
- m. Possession, transmission, distribution, selling, use or consumption of alcoholic beverages, dangerous drugs or narcotics or intoxicant of any kind or any facsimile of a dangerous drug, narcotic or intoxicant of any kind;
- n. Knowingly being in the presence of those who are in possession of using, transmitting, or being under the influence of any dangerous drug, narcotic, hallucinogenic drug, amphetamine, barbiturate, marijuana, alcoholic beverage, or intoxicant of any kind;
- o. Participation in any unauthorized occupancy by any group of students or others of any part of any school, school premises or other building owned by any school district after having been ordered to leave said school premises or other facility by the Principal or other person then in charge of said school building or facility;
- p. Participation in any walkout from a classroom or school building by any group of students and refusing to immediately return to said classroom or school building after having been directed to do so by the Principal or other person then in charge of said classroom or school building;
- q. Intentional incitement which results in an unauthorized occupation of, or walkout from, any school building, school premises, facility or classroom by any group of students or other persons;
- r. Repeated unauthorized absence from or tardiness to school;
- s. Intentional and successful incitement of truancy by other students;
- t. The use or copying of the academic work of another and the presenting of it as one's own without proper attribution;
- u. Violation of school rules and practices or Board policy, regulation or agreement, including that dealing with conduct on school buses and the use of school district equipment;
- v. Violation of any federal or state law which would indicate that the violator presents a danger to any person in the school community or to school property;

- w. Lying, misleading or being deceitful to a school employee or person having authority over the student;
- x. Unauthorized leaving of school or school-sponsored activities;
- y. Smoking, vaping, or use of e-cigarette devices.

B. Suspension for Conduct Off School Grounds

1. Students are subject to suspension for conduct off school property and outside of school-sponsored activities in accordance with law, for conduct that violates a publicized policy of the Board and is seriously disruptive of the educational process, including but not limited to the following:
 - a. Conduct leading to a violation of any federal or state law if that conduct is determined to pose a danger to the student himself/herself, other students, school employees or school property.
 - b. Adjudication as a delinquent or a youthful offender as the result of a felony if the conduct leading to the adjudication is determined to pose a danger to the student himself/herself, other students, school employees or school property.
2. In making a determination as to whether conduct is “seriously disruptive of the educational process,” the administration, Board of Education or impartial hearing board may consider, but such consideration shall not be limited to; (1) whether the incident occurred within close proximity of a school; (2) whether other students from the school were involved or whether there was any gang involvement; (3) whether the conduct involved violence, threats of violence or the unlawful use of a weapon as defined in Section 29-38 and whether any injuries occurred, and (4) whether the conduct involved the use of alcohol, narcotic drug, hallucinogenic drug, amphetamine, barbiturate or marijuana.

C. Mandatory Expulsion

It shall be the policy of the Board to expel a student, grades preschool, and Kindergarten to twelve, inclusive, for one full calendar year if:

1. The student, on grounds or at a school-sponsored activity, was in possession of a firearm, as defined in 18 U.S.C. 921*, as amended from time to time, or deadly weapon, dangerous instrument or martial arts weapon, as defined in C.G.S. 53A-3; or the student, off school grounds, did possess such firearm in violation of C.G.S. 29-35 or did possess and use such a firearm, instrument or weapon in the commission of a crime; or the student, on or off school grounds offered for sale or distribution a controlled substance, as defined in subdivision (9) of C.G.S. 21a-240, whose manufacture, distribution, sale, prescription, dispensing, transporting or possessing with intent to sell or dispense, offering or administering is subject to criminal penalties under C.G.S. 21-277 and 21a-278.
2. Such a student shall be expelled for one calendar year if the Board of Education or impartial hearing board finds that the student did so possess or so possess and use, as appropriate, such a weapon or firearm, instrument or weapon or did so offer for sale or distribution such a controlled substance.
3. The Board may modify the period of a mandatory expulsion on a case-by-case basis.
4. A firearm, as defined by C.G.S. 53a-3 includes but is not limited to any sawed-off shotgun, machine gun, rifle, shotgun, pistol, revolver, or other weapon, whether loaded or unloaded from which a shot may be discharged, or a switchblade knife, a gravity knife, billy, blackjack, bludgeon or metal knuckles.

*A firearm; currently defined by 18 U.S.C. 921, is any weapon that can expel a projectile by an explosive action and includes explosive devices, incendiaries, poison gases, and firearm frames, receivers, mufflers or silencers.

5. A student enrolled in a preschool program provided by the Board of Education, state or local charter school or interdistrict magnet school shall not be expelled from such school except that a student shall be expelled for one calendar year from such preschool program pursuant to the mandatory expulsion requirement in compliance with the Gun-Free School Act, as described in this section.

If you are interested in reviewing the entire BOE Suspension and Expulsion Policy (#5114), you may come to the main office to see it.

BULLYING PREVENTION AND INTERVENTION POLICY

The Salisbury Board of Education promotes an educational environment that is physically, emotionally and intellectually safe and thus free from bullying, harassment, threat, and discrimination. In accordance with state law and the Board's Safe School Climate Plan, the Board expressly prohibits any form of bullying behavior on school grounds; at a school-sponsored or school-related activity, function or program, whether on or off school grounds; at a school bus stop; on a school bus or other vehicle owned, leased or used by a local or regional board of education; or through the use of an electronic device or an electronic mobile device owned, leased or used by the Board of Education.

The Board also prohibits any form of bullying behavior outside of the school setting if such bullying (i) creates a hostile environment at school for the student against whom such bullying was directed, (ii) infringes on the rights of the student against whom such bullying was directed at school, or (iii) substantially disrupts the education process or the orderly operation of a school. Discrimination and/or retaliation against an individual who reports or assists in the investigation of an act of bullying is likewise prohibited.

Students who engage in bullying behavior shall be subject to school discipline, up to and including expulsion, in accordance with the Board's policies on student discipline, suspension and expulsion, and consistent with state and federal law.

Definitions

"Bullying" means the repeated use by one or more students of a written, oral or electronic communication, such as cyberbullying, directed at or referring to another student attending school in the same school district or a physical act or gesture by one or more students repeatedly directed at another student attending school in the Salisbury School District that:

- a) causes physical or emotional harm to such student or damage to such student's property,
- b) places such student in reasonable fear of harm to him/herself, or of damage to his/her property,
- c) creates a hostile environment at school for such student,
- d) infringes on the rights of such student at school, or
- e) substantially disrupts the education process of the orderly operation of the school.

Bullying shall include, but not be limited to, a written, oral or electronic communication or physical act or gesture based on any actual or perceived differentiating characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity or expression, socioeconomic status, academic status, physical appearance, or mental, physical, developmental, or sensory disability, or by association with an individual or group who has or is perceived to have one or more of such characteristics. (The student against whom the activity is directed must be attending school in the same school district as the students engaged in the activity.)

"Cyberbullying" means any act of bullying through the use of the Internet, interactive and digital technologies, cellular mobile telephone or other mobile electronic devices, or any electronic communications.

"Teen dating violence" means any act of physical, emotional or sexual abuse, including stalking, harassing and threatening that occurs between two students who are currently in or have recently been in a dating relationship.

"Mobile electronic device" means any hand-held or other portable electronic equipment capable of providing data communication between two or more individuals, including, but not limited to, a text messaging device, a paging device, a personal digital assistant, a laptop computer, equipment that is capable of playing a videogame or a digital video disk, or equipment on which digital images are taken or transmitted.

"Electronic communication" means any transfer of signs, signals, writing, images, sounds, data or intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic, photo-electronic or photo-optical system.

"Hostile environment" means a situation in which bullying among students is sufficiently severe or pervasive as to alter the conditions of the school climate.

“Outside of the school setting” means at a location, activity or program that is not school-related, or through the use of an electronic device or a mobile electronic device that is not owned, leased or used by a local or regional board of education.

“School employee” means (a) a teacher, substitute teacher, school administrator, school principal, guidance counselor, psychologist, social worker, nurse, physician, school paraprofessional, or coach employed by a local or regional board of education or working in a public elementary, middle or high school; or (b) any other individual who, in the performance of his/her duties, has regular contact with students and who provides services to or on behalf of students enrolled in a public elementary, middle or high school, pursuant to a contract with the local or regional board of education.

“School climate” means the quality and character of school life with a particular focus on the quality of the relationships within the school community between and among students and adults (and reflects norms, values, interpersonal relationships, teaching and learning practices and organizational structures).

Examples of bullying include, but are not limited to:

1. physical violence and attacks
2. verbal taunts, name-calling and put-downs, including ethnically-based or gender-based verbal put-downs
3. threats and intimidation
4. extortion or stealing of money and/or possessions
5. exclusion from peer groups within the school
6. the misuse of electronic communications for the purpose of bullying, harassing or sexually harassing other students within school or out of school (“cyberbullying”)
7. targeting of a student based on the student’s actual or perceived “differentiating” characteristics such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity or expression, socio-economic or academic status, physical appearance, or mental, physical, developmental, or sensory disability.

Such conduct is disruptive of the educational process and, therefore, bullying is not acceptable behavior in this district and is prohibited.

Students who engage in any act of bullying on school grounds, at a school-sponsored or school-related activity, function or program whether on or off school grounds, at a school bus stop, on a school bus or other vehicle owned, leased or used by the Board, or through the use of an electronic device or an electronic mobile device owned, leased or used by the Board, and outside of the school setting are subject to appropriate disciplinary action up to and including suspension, expulsion and/or referral to law enforcement officials, if such bullying:

1. creates a hostile environment at school for the victim,
2. infringes on the rights of the victim at school, or
3. substantially disrupts the education process or the orderly operation of the school,

A comprehensive program, to improve the school climate, involving everyone in the schools and the community, to address bullying at all school levels is essential to reducing incidences of bullying. Such a program must involve interventions at all levels, school-wide, classroom, and individual.

The Salisbury School District’s program:

1. Requires the development and implementation of a safe school climate plan (see Appendix A) by the Board to address the existence of bullying and teen dating violence in its school and requires at the beginning of each school year that students and their parents/guardians be notified of the process by which students may make such reports;
2. Permits anonymous reports of bullying or teen dating violence by students to school employees and written reports of suspected bullying and teen dating violence by parents/guardians, and

- requires at the beginning of each school year that students and their parents/guardians be notified of the process by which students may make such reports;
3. Requires school employees who witness acts of bullying or teen dating violence or receive reports of bullying or teen dating violence, to orally notify the principal or another school administrator of the safe school climate specialist is unavailable, not later than one (1) school day after such employee witnesses or receives a report of bullying or teen dating violence, and to file a written report not later than two (2) school days after making such an oral report;
 4. Requires the principal investigate or supervise the investigation of all reports of bullying or teen dating violence and ensure that such investigation is completed promptly after receipt of any written report, and that the parents/guardians of the student alleged to have committed an act or acts of bullying or teen dating violence and the parents/guardians of the student against whom such alleged act or acts were directed receive prompt notice that such investigation has commenced;
 5. Requires the principal to review any anonymous reports, except that no disciplinary action shall be taken solely on the basis of an anonymous report;
 6. Requires each school to have a prevention and intervention strategy, as defined by statute, as amended, for school employees to deal with bullying or teen dating violence, including language about bullying and teen dating violence in student codes of conduct and in all student handbooks;
 7. Provides for the inclusion of language in student codes of conduct concerning bullying and teen dating violence;
 8. Requires each school to notify parents/guardians of all students involved in a verified act of bullying or teen dating violence, not later than forty-eight (48) hours after the completion of the investigation. The notice shall be simultaneously mailed to the parent/guardian with whom the student primarily resides and to the other parent/guardian, if requested. The notice must describe the school's response and any consequences that may result from further acts of bullying or teen dating violence;
 9. Requires the school to invite parents/guardians of a student against whom such act was directed to a meeting to communicate to such parents/guardians the measures being taken by the school to ensure the safety of student(s) against whom such an act of bullying or teen dating violence was directed and the policies and procedures in place to prevent further acts of bullying or teen dating violence;
 10. Requires the school to invite the parents/guardians of a student who commits any verified act of bullying or teen dating violence to a meeting, separate and distinct from the meeting of the parents/guardians of the student against whom the act of bullying or teen dating violence was directed, to discuss specific interventions undertaken by the school to prevent further acts of bullying or teen dating violence;
 11. Establishes a procedure for the school to document and maintain records relating to reports and investigations of bullying and teen dating violence in the school, and make such list publicly available; and report such number to the Department of Education and in such manner as prescribed by the Commissioner of Education;
 12. Requires the development of case-by-case interventions for addressing incidents of bullying or teen dating violence against a single individual or recurrently perpetrated bullying incidents by the same individual that may include both counseling and discipline;
 13. Prohibits discrimination and retaliation against an individual who reports or assists in the investigation of an act of bullying or teen dating violence;
 14. Requires the development of student safety support plans for students against whom an act of bullying or teen dating violence was directed that addresses safety measure the school will take to protect such students against further acts of bullying or teen dating violence;
 15. Requires the Principal of the school, or his/her designee, to notify the appropriate local law enforcement agency when such Principal, or his/her designee, believes that any act of bullying or teen dating violence constitutes criminal conduct;
 16. Prohibits bullying and teen dating violence (a) on school grounds, at a school-sponsored or school-related activity, function or program, whether on or off school grounds, at a school bus stop, on a school bus or other vehicle owned, leased or used by the Board, or through the use of an

- electronic device or an electronic mobile device owned, leased or used by the Board, and (b) outside of the school setting, if such bullying or teen dating violence (i) creates a hostile environment at school for the student against whom such bullying was directed, (ii) infringes on the rights of the student against whom such bullying or teen dating violence was directed at school, or (iii) substantially disrupts the education process of the orderly operation of the school;
17. Requires all school employees to annually complete the training required by C.G.S. 10-220a, as amended. Such training shall include identifying and responding to bullying and preventing and responding to youth suicide; Certified employees are required to complete annual training on the prevention and identification of bullying and response to bullying and the prevention of and response to youth suicide. The State Department of Education, within available appropriations, is required to provide annual training to non-certified school employees.
 18. Requires students and the parents/guardians of students to be notified at the beginning of the school year of the process by which they may make reports of bullying or teen dating violence.
 19. As required, the Board shall approve the safe school climate plan developed pursuant to statute and submit such plan to the Department of Education for its review, analysis, cooperative assistant and approval; and
 20. Requires that not later than thirty (30) calendar days after approval by the State Department of Education, the safe school climate plan shall be made available on the Board's and school's Internet website, and such plan is to be included in the School's publication of rules, procedures and standards of conduct for schools, and in all student handbooks.

The Board expects prompt and reasonable investigations of alleged act of bullying and teen dating violence. The principal of the school is responsible for handling all complaints of alleged bullying and teen dating violence. The principal shall investigate or supervise the investigation of all reports of bullying and teen dating violence promptly.

In addition, the norms that are established by adults through consistent enforcement of all policies pertaining to conduct and modeling appropriate behavior at school and at home will reduce the instances and damage of bullying and teen dating violence. It is necessary for students to promote the concept that caring for others is a valued quality, one that is accepted and encouraged.

The main components of the Salisbury School District's program are:

1. Prevention and Intervention Strategy

The School shall implement, as required by C.S.G. 10-222d, as amended, a prevention and intervention strategy which may include, but is not limited to:

1. Implementation of positive behavioral interventions and support process or another evidence-based model approach for safe school climate or for the prevention of bullying and teen dating violence identified by the Department of Education.
2. School rules prohibiting bullying, teen dating violence, harassment, and intimidation and establishing appropriate consequences for those who engage in such acts.
3. Adequate adult supervision of outdoor areas, hallways, the lunchroom, and other specific areas where bullying or teen dating violence is likely to occur.
4. Inclusion of grade-appropriate bullying and teen dating violence education and prevention curricula in kindergarten through middle school.
5. Individual interventions with the bully or student who commits teen dating violence, parents/guardians, and school employees, and interventions with the students against whom the acts of bullying and teen dating violence are directed, parents/guardians and school employees.
6. School-wide training related to safe school climate. (Funding for the school-based bullying intervention and school climate improvement may originate from public, private or philanthropic sources. For purposes of this section, "interventions with the bullied child" includes referrals to a school counselor, psychologist or other appropriate social or mental health service, and periodic follow-up by the safe school climate specialist with the bullied child.)
7. Student peer training, education and support.
8. Promotion or parent involvement in bullying and teen dating violence prevention through individual or team participation in meetings, trainings and individual interventions.

9. Culturally competent school-based curriculum focusing on social-emotional learning, self-awareness and self-regulation.

2. District Safe School Climate Coordinator

For the school year commencing July 1, 2015, and each school year thereafter, the Principal shall appoint, from among existing District staff, a District Safe School Climate Coordinator.

The Coordinator shall:

1. Implement the District's safe school climate plan;
2. Collaborate with safe school climate specialists, the Board and the Principal to prevent, identify and respond to bullying and teen dating violence in the District's school;
3. Provide data and information derived from the safe school climate assessments, in collaboration with the Principal to the Department of Education.
4. Respond to bullying and teen dating violence in the District's school;
5. Meet with the safe school climate specialists at least twice during the school year to discuss bullying and teen dating violence issues in the District and make recommended changes to the District's safe school climate plan.
6. Successfully complete, for the school year commencing July 1, 2015, the mental health first aid training provided by the Commissioner of Mental Health and Addiction Services. (Such training only required once.)

3. Safe School Climate Specialist

For the school year commencing July 1, 2015, and each school year thereafter, the school Principal shall serve, or designate someone to serve, as the Safe School Climate Specialist for the school.

The Specialist shall:

1. Investigate or supervise the investigation of reported acts of bullying or teen dating violence in the school in accordance with the District's Safe School Climate Plan;
2. Collect and maintain records of reports and investigations of bullying and teen dating violence in the school; and
3. Act as the primary school official responsible for preventing, identifying and responding to bullying and teen dating violence reports in the school.

4. Safe School Climate Committee

For the school year commencing, July 1, 2015, and each school year thereafter, the Principal of the school shall establish a new committee, or designate at least one existing committee, that is responsible for developing and fostering a safe school climate and addressing issues related to bullying in the school. The committee must include at least one (1) parent/guardian of a student enrolled in the school, appointed by the Principal.

The Safe School Climate Committee shall:

1. Receive copies of completed reports following investigations of bullying or teen dating violence;
2. Identify and address patterns of bullying and teen dating violence among students in the school;
3. Implement the provisions of the school security and safety plan (developed pursuant to Sec. 87 of P.A. 13-3) regarding the collection, evaluation and reporting of information relating to instances of disturbing or threatening behavior that may not meet the definition of bullying or teen dating violence (defined in C.G.S. 10-222d) and report such information, as necessary, to the District Safe School Climate Coordinator and to the school's security and safety committee.
4. Review and amend school policies relating to bullying and teen dating violence;
5. Review and make recommendations to the District Safe School Climate Coordinator regarding the District's Safe Climate Plan based on issues and experiences specific to the school;
6. Educate students, school employees and parents/guardians of students on issues relating to bullying and teen dating violence;
7. Collaborate with the District Safe School Climate Coordinator in the collection of data regarding bullying and teen dating violence; and

8. Perform any other duties as determined by the Principal that are related to the prevention, identification and response to school bullying and teen dating violence for the school.

Parent members of the Safe School Climate Committee are excluded from activities #1 and #3, or any other activity that may compromise the confidentiality of a student.

This policy shall not be interpreted to prohibit a reasonable and civil exchange of opinions, or debate that is protected by state or federal law.

SAFE SCHOOL CLIMATE PLAN

The Board shall develop and implement a Safe School Climate Plan to address the existence of bullying in its schools. Such plan shall:

1. Enable students to anonymously report acts of bullying and teen dating violence to school employees and require students and the parents/guardians of students to be notified annually of the process by which they may make such reports;
2. Enable the parents/guardians of students to file written reports of suspected bullying and teen dating violence;
3. Require school employees who witness acts of bullying or receive reports of bullying or teen dating violence to orally notify the Safe School Climate Specialist, or another school administrator if the Safe School Climate Specialist is unavailable, not later than one (1) school day after such school employee witnesses or receives a report of bullying or teen dating violence, and to file a written report not later than two (2) school days after making such oral report;
4. Require the Safe School Climate Specialist to investigate or supervise the investigation of all reports of bullying or teen dating violence and ensure that such investigation is completed promptly after receipt of any written reports made under this section;
5. Require the Safe School Climate Specialist to review any anonymous reports, except that no disciplinary action shall be taken solely on the basis of an anonymous report;
6. Include a prevention and intervention strategy for school employees to deal with bullying and teen dating violence;
7. Provide for the inclusion of language in student codes of conduct concerning bullying and teen dating violence;
8. Require each school to notify the parents/guardians of students who commit any verified acts of bullying or teen dating violence, and the parents/guardians of students against whom such acts were directed, not later than forty-eight (48) hours after the completion of the investigation. The required notification and invitation shall include a description of the response of school employees to such acts and any consequences that may result from the commission of further acts of bullying and teen dating violence;
9. Require each school to invite the parents/guardians of a student who commits any verified act of bullying or teen dating violence, and the parents/guardians of the student against whom such act was directed, to a meeting to communicate to such parents/guardians the measures being taken by the school to ensure the student's safety and to prevent further acts of bullying or teen dating violence;
10. Establish a procedure for the school to document and maintain records relating to reports and investigations of bullying and teen dating violence in the school and to maintain a list of the

- number of verified acts of bullying and teen dating violence in the school and make bullying or teen dating violence against a single individual or recurrently perpetrated incidents by the same individual that may include both counseling and discipline;
11. Prohibit discrimination and retaliation against an individual who reports or assists in the investigation of an act of bullying or teen dating violence;
 12. Direct the development of student safety support plans for students against whom an act of bullying or teen dating violence was directed that addresses safety measures the school will take to protect such student against further acts of bullying or teen dating violence.
 13. Require the Principal, or the Principal's designee, to notify the appropriate local law enforcement agency when such Principal, or Principal designee, believes that any acts of bullying or teen dating violence constitute criminal conduct;
 14. Prohibit bullying and teen dating violence (a) on school grounds, at a school-sponsored or school-related activity, function or program whether on or off school grounds, at a school bus stop, on a school bus or other vehicle owned, leased or used by the Board and (b) outside of the school setting, if such bullying or teen dating violence (i) creates a hostile environment at school for the student against whom such bullying or teen dating violence was directed, (ii) infringes on the rights of the student against whom such bullying or teen dating violence was directed at school, or (iii) substantially disrupts the education process or the orderly operation of a school;
 15. Require, at the beginning of each school year, that the school provide all school employees with a written or electronic copy of the District's Safe School Climate Plan; and
 16. Require that all school employees annually complete the training described in C.G.S. 10-220a, as amended.
 17. The Principal shall develop rules and procedures which carry out the provisions of this policy. In addition, the Principal shall provide that students and parents/guardians of students are notified of this prohibition against bullying and teen dating violence and the penalties for violating the prohibition by ensuring the posting of such information in the school and by ensuring inclusion of such information in student and parent handbooks.

Please refer to the school website to view the Salisbury Central Safe School Climate Plan.

LUNCH DETENTION

Students may serve a lunch detention for receiving a Behavior Referral form (described in the Expectations for Student Behavior). The detention will be served at the soonest available lunch period. Students should report directly to the designated room when the lunch period begins.

HOMEWORK CLUB

The after school Homework Club is available M-Th from 3-4 p.m. for grades 6-8 and M & Th from 3:10-4:10 p.m. for grades 4 & 5 for students who need a quiet, productive time in which to get homework done and to receive extra help on homework if they need it. Students attending Homework Club are expected to work quietly and diligently for the full hour of homework. Students are expected to come with all of the materials they will need to complete their work. This includes an independent reading book for those occasions when students have completed work before the hour is up. **Homework club does not run on early dismissal days. Pick up time is no later than 4:00 PM for the middle school and 4:10 PM for the elementary school-PLEASE BE PROMPT.**

If a student is unable to use his/her time wisely and/or is distracting to other students, he/she will be sent home at the conclusion of that day's Homework Club session with a written warning that needs to be signed by a parent and returned to the office. Upon his/her next infraction, the student will not be allowed to attend Homework Club for approximately one full marking period.

You may sign your child up on a regular basis **or** send in a note on the day you would like them to attend.

ACADEMIC/ATHLETIC POLICY

Participation on a school's interscholastic athletic team is a privilege and not a right. Academics will be a priority, and student athletes are required to meet and maintain academic and behavioral standards. At any evaluation point a

student athlete must not be in danger of failing any of his or her courses. Any student athlete not conforming to this academic standard shall be prohibited from participating in interscholastic competition until the school has determined that the matter has been properly addressed.

In addition, if at any evaluation point it is determined that the student athlete is demonstrating a pattern of behavior that is detrimental to their academic achievement and progress, a plan of action will be implemented to most effectively remedy the situation.

Each student athlete must also be in good standing regarding his or her school's Code of Conduct. Any student athlete not conforming to this behavioral standard shall be prohibited from participating in interscholastic competition until the school determines that the matter has been properly addressed.

Action Plan Procedure:

When it has been determined that a student athlete is in danger of failing a class OR is demonstrating a pattern of behavior detrimental to his or her academic progress, the following steps will be taken:

1. A phone call will be made to a parent/guardian notifying him or her of the situation.
2. Upon notification of the parent/guardian, the student athlete will be referred to the middle school team, where the process of developing a positive intervention action plan will begin.
3. Elements of the action plan will include whether or not the student will be placed on academic probation regarding their athletics, as well as establishing a date to review whether or not progress has been made.

FIELD TRIP GUIDELINES

Field trips are a valuable part of the educational process at Salisbury Central School. They are an extension of the school day and school rules of conduct apply as they would in the classroom. The success of our field trips has been due in part to parental participation as chaperones. Chaperones are an integral part of our field trips. As per school policy, we must have one chaperone for every 10 students. As a staff we have developed several guidelines in order to provide consistency through the grades. We thank you in advance for your help in adhering to these guidelines.

- Students ride to and from the field trip destination on the bus. (With the exception of the ski program.)
- Chaperones may not bring siblings along on the trip. If a chaperone is responsible for a younger sibling, he or she cannot be depended upon to supervise the students they are responsible for on the field trip.
- The number of chaperones allowed to go on the trip depends on the nature of the trip. On some trips there is no limit to the number of chaperones. Other trips have a limit due to space, etc. The teachers at each grade level will determine the number of chaperones.

DRESS GUIDELINES

The attire of a student reflects a level of respect for oneself, one's peers and one's school as well as the seriousness that a student approaches learning. Salisbury Central is an environment that reflects the seriousness of education and prepares students for future roles in continuing education and the professional workplace. Students are expected to dress in clothing appropriate to the school situation. Restrictions on freedom of expression will be applied whenever the mode of dress is unsafe, disrespectful or not conducive to learning.

Brief and Revealing Clothing

Students must recognize that brief and revealing clothing are not appropriate apparel for school. The following guidelines on brief and revealing clothing are examples and do not cover all situations.

Tops

- Students shall not wear halter tops, or strapless tops. Sleeveless garments must have a strap width of 2+” and fit closely under the arms.
- Garments that are ‘see-through’, cut low to reveal the chest, or expose one’s midriff when elbows are extending above the head are not acceptable.
- Visible undergarments are not acceptable.

Bottoms

- All garments must be worn at the waistline and prevent exposure of the midriff and all undergarments when sitting or standing.
- Garments must have hemlines that extend below the fingertips when the arms are extended at full length with the shoulders down.
- Garments may not drag on the floor when students walk.
- Pajamas, pajama pants, bedroom slippers, and all other lounging attire are not acceptable.

Shoes

- Shoes must be worn at all times, and must allow for safe and speedy travel between buildings and up and down stairs.

Headgear

Students shall not wear headgear during the school day. All headgear must be kept out of sight and placed in the student's backpack or locker upon arrival to school. Hats for sun or rain may be worn during outdoor activities.

Rude or Offensive Clothing

Students shall not wear clothing items, jewelry, or body art that contain messages advocating for or depicting profanity, violence, drugs, alcohol, sex, hate groups, gang affiliation or illegal or disrespectful or derogatory activity, expressed or implied.

Accessories and Body Art

Students must not wear or carry clothing accessories that could cause injury or threat of injury to others or disrupt the learning process. This includes but is not limited to sunglasses (permitted at outdoor recess), chains, cleats, spikes, studs or fake beards and/or moustaches. Students may not paint their faces and/or arms, legs, hands or feet.

Other

Exceptions to the above dress code will be considered for medical reasons, special events, cultural beliefs, or to promote school spirit as determined by the school principal. Permission from the school principal must be granted prior to the event or activity.

Consequences for students not in compliance with these guidelines may include but are not limited to the issuance of a Behavioral Referral Form and/or a call to the parents to request a change of clothing be brought to school.

PLANNED FAMILY ABSENCE HOMEWORK POLICY

Every year students are taken out of school for vacations of varying lengths and there are expectations for work to be sent home and completed during this time. Since students are missing their daily direct instruction, it is often a challenge to send meaningful work home for them to complete. For longer absences, it is difficult for teachers to gauge where the class will be academically when students return from vacation. We at Salisbury Central School would appreciate notification, as early as possible (preferably one to two weeks before departure), so that teachers can prepare a work plan for students to complete while enabling them to enjoy their time with family. Some work may have to be completed once the student returns to class. Parents should download (from our website) or ask for a Planned Family Absence Form from their child's teacher requesting work for the duration of the absence. Assignments sent home may include reading, writing, and math and any other work at that particular teacher's discretion.

ELECTRONIC EQUIPMENT

In general, students should not bring electronic equipment to school. This would include items such as cameras (digital or film), video recorders, pagers, handheld games, laser pointers, MP3 players/iPods, remote control cars, walkie-talkies and other such items. These items create a distraction to learning during the school day. In addition, the school cannot ensure that they would be protected from harm. Electronic reading devices (such as a Kindle) will be allowed with the classroom teacher's approval. The school will not be responsible for loss or damage.

- On occasion, middle school students will be allowed to bring electronics (such as iPods) to school as part of a middle school activity or behavioral plan. Teachers will notify students when it is appropriate to bring such devices to school.

- Students may be allowed to bring electronic devices on field trips, but their use is subject to teacher/chaperone discretion. If students use their devices inappropriately, teachers may request discontinuation of their use and/or confiscate the devices and return them at the end of the field trip.

CELL PHONES

Students are not permitted to use cell phones or other electronic devices to make or receive calls, send or receive text messages, or take pictures during the school day. All cell phones and similar devices must be turned off and kept in lockers/cubbies during the school day. Students that are observed using or carrying a cell phone or similar device during the school day will have to turn the phone into the main office. The phone will need to be picked up from the main office by a parent/guardian.

CAMERAS/VIDEO EQUIPMENT

Students are not permitted to use cameras or video equipment during the school day unless they are under the direct supervision of a teacher.

ELECTRONIC SURVEILLANCE

This is a summary of the Salisbury Central Board of Education Policy #5131.111 written to provide the information that will be most useful to parents and students. Please go the SCS website to view the complete policy.

The Board of Education recognizes Salisbury Central School’s responsibility to maintain order and discipline on school property and in school vehicles. The Board also desires to afford students and staff privacy in respect to the records it maintains. The Board recognizes the value of surveillance systems in monitoring activity on school property and in school vehicles to protect the health, welfare and safety of its students and staff. The Salisbury Central School students and staff recognize that their security and safety depends upon the capacity of Salisbury Central School to maintain discipline and that a certain amount of restraint upon the activities of students is assumed and expected. The use of recordings from surveillance equipment shall be subject to the other policies of the district including policies concerning the confidentiality of student records.

The Board of Education having carefully weighed and balanced the rights of privacy of students and staff against Salisbury Central School’s duty to maintain order and discipline, finds that it is appropriate to provide for the use of camera surveillance in its transportation vehicles and on school grounds as follows:

Surveillance system operation – Cameras have been installed in both buildings as well as on school buses.

- The cameras on the Salisbury Central campus are prominently placed in areas where there is NOT a reasonable expectation of privacy (e.g. hallways, stairwells, outdoor areas). The Principal will supervise and control the use of surveillance equipment in the school buildings and its use will be limited to designated members of the administrative staff.
- The cameras on the buses are owned and operated by the school bus transportation company but can be viewed by the Principal upon request.
- Cameras in public hallways will transmit sound but will not record sound and therefore can only be used in real time. Only the Principal and law enforcement will have access to sound monitoring in these areas.
- Appropriate signage will be present to indicate the presence of electronic surveillance.
- The Principal shall ensure the provision of reasonable safeguards including, but not limited to, password protection, well managed firewalls and controlled physical access to protect the surveillance system from hackers, unauthorized users and unauthorized use.

Storage Security

- Surveillance recordings will be stored for a minimum of five school days, whereupon if the Principal and/or designee know no reason for continued storage, such recordings will be deleted.

- Surveillance recordings held for review of property or student incidents will be maintained in their original form pending resolution. Recordings will then be released for erasure, copied for authorized law enforcement agencies, or retained as necessary as part of the student's record in accordance with established procedures and applicable law.

Requests to view Electronic Surveillance Data - Requests to review surveillance recordings shall comply with all applicable state and federal laws and with Board Policy. All requests for review of surveillance recordings that are considered an educational record will be as follows:

- All viewing requests must be submitted in writing. Requests for viewing will be limited to those parents/guardians, students and/or SCS staff with a direct interest in the proceedings as authorized by the Principal and only the portion of the electronic data recording concerning the related specific incident will be made available for viewing.
- Written requests for viewing may be made to the Principal within five school days of the date of recording.
- Approval/denial for viewing will be made within five school days of receipt of the request and so communicated to the requesting individual.
- Electronic data recordings will be made available for viewing within three school days of the request approval.
- Actual viewing will be permitted only on Salisbury Central School property.
- All viewing will include the building Principal or his/her designee.
- A written log will be maintained of those viewing the surveillance recordings including the date of viewing, reasons for viewing, date the recording was made, location at school or central office, and signature of the viewer(s).
- Electronic data recordings will remain the property of Salisbury Central School and may be reproduced only in accordance with the law, including applicable Board policy and regulations.
- Timelines may be altered for requests for viewing which arise at the end of a school year or prior to vacation periods.

Student Records - Surveillance recordings may become a part of a student's educational record. Salisbury Central School personnel shall comply with all applicable state and federal laws and its Board policies related to record maintenance and retention.

PLAYGROUND EXPECTATIONS

- Play safely
 - Walk out to recess area;
 - No running on the playscape area;
 - No jumping off the platforms;
 - One person on the slide at a time;
 - Move away from the bottom of the slide quickly;
 - Do not slide any objects down the slides;
 - Do not climb up slides and do not climb on the top of slides or railings;
 - No roughhousing or wrestling;
 - No more than three children are allowed on the tire swing at a time;
- The following are off limits: wooded areas, lower field, parking lot, outside backstops and fenced in area, bushes;
- Students must ask permission of the playground supervisors before entering the building for any reason.
- Report any problems or injuries to playground supervisors.
- Leave all trees, shrubs, bushes, and flowers alone.
- Line up promptly when called.

DISMISSAL GUIDELINES

Guidelines for students who wish to travel on a different bus:

- Students will be allowed to travel on a different bus only to get off at an established stop.

- Students may only ride a different bus with written permission from a parent or guardian. (Please do not use E-mail, voice mail, or fax.)
- Written permission must be received in the office by noon of the day that the student is to ride a different bus. Except in the case of emergency, students who do not have a note into the office by noon will not be allowed to travel on another bus.
- Up to 3 students may go home with a student on a bus. If more than 3 students wish to go on a bus to get off at the same stop, then the inviting parent should contact Pat Stevens in the main office several days prior to check on the availability of seats.
- Please be aware that a few of the buses have limited additional seating. If your request to ride a different bus cannot be honored you will be contacted by the main office.

Guidelines for parents who are picking up students in the upper building traffic circle:

- To enter the upper building traffic circle please use the first upper building driveway (driveway entrance is halfway between the lower and upper building) and travel through the parking lot into the traffic circle.
- Please pull as far around the traffic circle as possible. Remain in a single lane at all times.
- As dismissal begins (3:05) please be in your car, ready to receive your student. Please do not leave your car unattended to walk and find your child. The teacher supervisors will help your child get to your car safely.
- Exit the traffic circle using the same exit that we have always used.
- Parents who are picking up middle school students from the lower building should continue to use the established procedures and guidelines.

Guidelines for students who walk home after school:

- All upper building walkers will be released to the lower lobby (by the gym entrance) where their dismissal will be supervised by an adult.
- Walkers from the lower building will continue to be released using the current procedure

BUS PROCEDURES AND RULES

The driver will not drop off any kindergarten or Pre-K student unless the adult in charge of them is visible at the bus stop. If you have missed meeting your child at the bus stop, he/she will stay on the bus with the driver and be brought back to the school at the end of the route. It is then your responsibility to pick him/her up at the school.

The driver will only stop at assigned stops. The bus rules are:

- The driver is at all times in full charge of the bus and of all students riding therein. He/she is required to enforce all rules and regulations adopted by the school authorities for the conduct of pupils riding on the bus.
- Wait for the bus well back from the road, remaining until the bus comes to a complete stop before moving.
- In going to and from the bus, look both ways and cross in front of the bus keeping sight of the driver.
- Students must take a seat when they enter the bus, and remain seated while the bus is in motion.
- File on and off the bus in an orderly manner, with no rushing or pushing.
- Windows are to be regulated under the supervision of the driver. Under no conditions are children allowed to have their arms or hands out of the window.
- Avoid distractions to the driver such as shouting and whistling.
- Be on best behavior at all times. Horseplay or fighting will not be tolerated.
- Hazard creating articles such as water pistols, matches, etc. are not to be carried on the bus.
- No indecent or profane language shall be permitted on the bus.
- The use of tobacco and alcohol is prohibited.
- Students shall assist in keeping the bus clean, sanitary, and orderly and shall refrain from damaging or abusing the bus, its cushions, or equipment.
- Students must not throw waste paper, hats, books, lunches or other articles while on the bus or near the bus.
- No student shall leave the bus without permission of the driver or school authorities except at his/her home or at the school.
- Students shall enter or leave the bus only by the front door except in cases of emergency.
- Students shall be on time, and at all times cooperate in keeping the bus on schedule.

- Know emergency procedures. There will be occasional bus evacuation drills throughout the school year. Please help your child be prepared.

Students violating these rules are to be reported by the driver to the school principal, who will, depending on the seriousness and/or frequency of the violations, notify the parents as to the child's behavior.

If the violations continue, the principal may suspend the student's riding privileges for a period of time depending on the seriousness of the violations. The parents will be notified.

STUDENT RECORDS

The purpose of maintaining school records is to provide a history of educational growth on each student for making important judgments and decisions concerning the student. Every school within Region One systematically maintains records on each child. These records typically consist of personal information, an attendance record, and information related to the child's educational progress. This would include health records, standardized group test scores, and individual diagnostic test scores.

Special education and special services records are maintained in separate files. Contact the school office for assistance in accessing these types of records.

Ordinarily, written consent by the parent or guardian is necessary before students' records are released. Parents and guardians have the right to inspect the records of their child contained in the school building. As a courtesy to the office, parents are asked to call ahead should they wish to review the record folders. (See FERPA next)

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's educational records. They are:

The right to inspect and review the student's educational records

Parents or eligible students should submit to the school principal a written request that identifies the record(s) they wish to inspect.

The right to request the amendment of the student's educational records that the parent or eligible student believes are inaccurate or misleading.

Parents or eligible students may ask to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment.

The right to consent to disclosures of personally identifiable information in the student's educational records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility.

The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
600 Independence Avenue, SW
Washington, DC 20202-4605

SEXUAL HARASSMENT POLICY

It is the policy of the Board of Education of Salisbury to maintain a learning and working environment that is free from sexual harassment. The Board of Education prohibits any form of sexual harassment.

Any person who believes that he/she has been a victim of sexual harassment by a student, employee, individual under contract or volunteer of the Board of Education is encouraged to promptly report such complaint to the Superintendent of Schools (824-0855). Complaints will be investigated promptly and corrective action will be taken when allegations have been verified. It shall be our policy to maintain confidentiality. No reprisals or retaliation will be allowed to occur as a result of good faith reporting of charges of sexual harassment.

ASBESTOS MANAGEMENT PLAN

A formal asbestos management program has been in place at Salisbury Central School since 1986. The purpose of this program is to identify the asbestos-containing materials in our schools and to take steps to make sure these materials do not present an exposure hazard to the students, faculty, or staff.

The asbestos management program is implemented through the Salisbury Central School Asbestos Management Plan. This plan identifies the locations of the Asbestos-Containing Material (ACM) in our buildings and details our ongoing management program. The management plan also includes descriptions of previous asbestos inspections and our plans for repair or removal of damaged asbestos-containing materials.

Under our asbestos management program, the ACM listed in the management plans is inspected every six months to assure early detection of problem areas. Furthermore, each building is completely re-inspected once every three years by a Connecticut-licensed asbestos inspector to make sure that all ACM is properly identified and that the asbestos management plan is up to date.

The asbestos management plan is maintained in the school office. A copy of the plan is also maintained in the Region One Superintendent's office. These plans are available for review during normal business hours.

Salisbury Central School has designated the Head Custodian as the person responsible for ensuring that the requirements of our asbestos management program are properly implemented. The Head Custodian can be contacted at 435-9871.

GREEN CLEANING

No parent, guardian, teacher, or staff member may bring into the school facility any consumer product which is intended to clean, deodorize, sanitize or disinfect. Please refer to the Board of Education/Policies section of the SCS website to read a description of our Green Cleaning procedures.

PESTICIDE APPLICATION

The Connecticut legislature passed a law (P.A. 09-56) banning lawn care pesticide applications on the grounds of day care centers, elementary and middle schools (grades 8 and lower) as a result of residents' concerns about children's health and the environment. This ban for elementary and middle schools went into effect on July 1, 2010. This ban prohibits the use of all U.S. Environmental Protection Agency (EPA) registered pesticides, including fungicides, herbicides and insecticides, labeled for use on lawn and/or ornamental sites at all CT day care centers and K-8 schools, including Salisbury Central School.

WELLNESS POLICY

It is the policy of the Salisbury Board of Education to promote the health and well-being of district students. In furtherance of this policy, the Board has created an Advisory Council on Wellness (“Wellness Committee”) to review any available state or federal guidance on wellness issues and to assist in formulating recommendations for specific goals and guidelines aimed at promoting lifelong wellness practices among district students. This Wellness Committee involves parents, students, representatives from the school food authority (i.e. any private company employed to provide food services), school administrators, the Board of Education, and members of the public.

A complete copy of the Wellness Policy is available for review at the main office at Salisbury Central School during normal business hours and is posted on the school’s website under Board of Education/Policies.

BOE POLICY 5141.25 - STUDENTS WITH SPECIAL HEALTH CARE NEEDS

The focus of a School Food Allergy Management Plan shall be prevention, education, awareness, communication and emergency response. The management plan shall strike a balance between the health, social normalcy and safety needs of the individual student with life-threatening food allergies and the education, health and safety needs of all students. The School Food Allergy Management Plan shall be the basis for the development of the procedural guidelines that will be implemented at the school level.

The goals for the School Plan include:

1. To maintain the health and protect the safety of children who have life-threatening food allergies in ways that are developmentally appropriate, promote self-advocacy and competence in self-care and provide appropriate educational opportunities.
2. To ensure that interventions and individual health care plans for students with life-threatening food allergies are based on medically accurate information and evidence-based practices.
3. To define a formal process for identifying, managing, and ensuring continuity of care for students with life-threatening food allergies across all transitions. (Pre-K-8)

It is the policy of the Board of Education to follow the guidelines developed and promulgated by the Connecticut Department of Public Health and Department of Education for students within the School with life-threatening food allergies. Such guidelines include (1) education and training for school personnel on the management of students with life-threatening food allergies, including training related to the administration of medication with a cartridge injector, (2) procedures for responding to life-threatening allergic reactions to food, (3) a process for the development of individualized health care and food allergy action plans for every student with a life-threatening food allergy, and (4) protocols to prevent exposure to food allergens.

It is the Board’s expectation that specific building-based guidelines/actions will take into account the health needs and well-being of all children without discrimination or isolation of any child. It is the Board’s belief that education and open and informative communication are vital for the creation of an environment with reduced risks for all students and their families. In order to assist children with life-threatening allergies to assume more individual responsibility for maintaining their safety as they grow, it is the policy of the Board that guidelines shift as children advance through the primary grades and through middle school.

The school’s plan for managing students with life-threatening food allergies shall be posted on the school’s website.

Policy adopted by the Salisbury Board of Education - January 25, 2010

BOE POLICY 6141.321 - Telecommunications/Internet Acceptable Use Agreement / Internet Use Agreement

Internet access is available to students and teachers in the School District.

The Board of Education believes the Internet offers vast, diverse, and unique resources to both students and teachers. Our goal in providing this service to teachers and students is to promote educational excellence in schools by facilitating resource sharing, innovation, and communication.

The Internet is an electronic highway connecting thousands of computers all over the world and millions of individual subscribers. Students and teachers have access to:

- 1) Electronic mail communication with people all over the world;
- 2) Information and news from NASA as well as the opportunity to correspond with the scientists at NASA and other research institutions;
- 3) Public domain software and shareware of all types;
- 4) Discussion groups on a plethora of topics ranging from Chinese culture to the environment to music to politics; and
- 5) Access to many University Library Catalogs, the Library of Congress and ERIC.

With access to computers and people all over the world also comes the availability of material that may not be considered to be of educational value in the context of the school setting. The School District has taken precautions to restrict access to controversial materials. However, on a global network it is impossible to control all materials and an industrious user may discover controversial information. We firmly believe that the valuable information and interaction available on this worldwide network far outweighs the possibility that users may procure material that is not consistent with the educational goals of the district.

Internet access is coordinated through a complex association of government agencies, and regional and state networks. In addition, the smooth operation of the network relies upon the proper conduct of the end users who must adhere to strict guidelines. These guidelines are provided here so that students are aware of the responsibilities they are about to acquire. In general this requires efficient, ethical and legal utilization of the network resources. If a

district user violates any of these provisions, his or her privileges/account will be terminated and future access could possibly be denied. The signature(s) at the end of this document is (are) legally binding and indicates the party (parties) who signed has (have) read the terms and conditions carefully and understand(s) their significance.

1) **Acceptable Use** – The purpose of the National Science Foundation Network (NSFNET), which is the backbone network to the Internet, is to support research and education in and among academic institutions in the United States by providing access to unique resources and the opportunity for collaborative work. The use of telecommunications/an electronic mail account must be in support of education and research and consistent with the educational objectives of the School District. Use of other organizations' networks or computing resources must comply with the rules appropriate for that network. Transmission of any material in violation of any United States or state regulation is prohibited. This includes, but is not limited to: copyrighted material, threatening or obscene material, or material protected by trade secret. Use for commercial activities, product advertisement or political lobbying is prohibited.

2) **Privileges** – The use of the Internet is a privilege, not a right, and inappropriate use will result in a cancellation of those privileges. (Each student who uses the Internet or who receives an account will be part of a discussion with a district faculty member pertaining to the proper use of the network.) System administrators will deem what is inappropriate use and the decision is final. Also, the system administrators may close an account at any time required. The administration, faculty, and staff may request the District Internet administrator to deny, revoke, or suspend specific user accounts.

3) **Network Etiquette** – All users are expected to abide by the generally accepted rules of network etiquette. These include (but are not limited to) the following:

Users should:

- a. Be polite and should not be abusive in messages to others.
- b. Use appropriate language and not swear, use vulgarities or any other inappropriate language. Illegal activities are strictly forbidden.
- c. Not reveal their personal address or phone number or those of students or colleagues.
- d. Note that electronic (e-mail) is not guaranteed to be private. People who operate the system do have access to all mail. Messages relating to or in support of illegal activities may be reported to the authorities.
- e. Not use the network in such a way as to disrupt the use of the network by other users.
- f. Assume all communications and information accessible via the network to be private property.

4) The School District makes no warranties of any kind, whether expressed or implied, for the service it is providing. The district will not be responsible for any damages such as loss of data resulting from delays, non-deliveries, mis-deliveries, or service interruptions caused by negligence, errors or omissions. The district specifically denies any responsibility for the accuracy of quality of information obtained from the Internet.

5) **Security** – Security on any computer system is a high priority, especially when the system involves many users. Users who identify a security problem on the Internet must notify a system administrator or District Internet Administrator. Users should not demonstrate the problem to other users, nor use another individual's account without written permission from that individual. Attempts to log on to the Internet as a system administrator will result in cancellation of user privileges. Any user identified as a security risk or having a history of problems with other computer systems may be denied access to Internet.

6) **Vandalism** – Vandalism will result in cancellation of privileges. Vandalism is defined as any malicious attempt to harm or destroy data of another user, the Internet, or any of the above listed agencies or other networks that are connected to the NSFNET Internet backbone. This includes, but is not limited to, the uploading or creation of computer viruses. If there is any cost involved in repairing such vandalism, the cost will be assumed by the parent/guardian, or the student if he/she is 18 years or older.
