

DROP-OFF and PICK-UP PROTOCOL

@ Salisbury Central School

(a friendly reminder-originally written by the PTO)

The three transportation options at SCS:

1. Full Service: Your child takes the bus.
2. Self-Service: You drive your child to/from school, park your car and walk your child to/from the building
3. Drive Through Service: Drop Off and Pick Up in the main circle
In the morning you "stop, drop, and go" and in the afternoon "stop, pick up and roll"!

If you choose **drive through service**, please remember.....

- ❖ to pull all the way forward in the circle to drop off and pick up your child. Please do not stop to drop off or pick up your child by the first door if there is room to pull forward. This will help traffic move quickly and efficiently.
- ❖ that the main circle is not to be used as a parking lot. If you need to talk to a friend or teacher or if your child needs assistance getting in and out of the car, please park in the parent parking section.

(Imagine if you were in the drive-thru of a fast food restaurant and the person in the car in front of you got out of his/her car, went inside and started chatting with a friend!)

- ❖ to have your child exit/enter from your car curbside.
- ❖ to respect the "no idling" signs.

We appreciate your support!!!!
