

March 1, 2019

Dear Members of the SCS Community,

As you may remember, last year we started a SCS Community Partnership. The purpose of the partnership is to include all stakeholders in discussion about topics that impact student learning as addressed in our school strategic plan. Last year we had positive feedback from the meetings and we gained a great deal of valuable information that has helped inform many of our decisions for the 2018-2019 school year.

The first meeting this year took place on September 26th in the school cafeteria. It was a great opportunity for parents and community members to meet all middle school teachers and hear about topics that are specific to grades 6-8. Teachers gave brief presentations on Student Learning in grades 6-8, Middle School Advisory Groups and Student Led Conferences, Middle School Communication, and General Middle School Questions and Ideas.

The focus of the Spring partnership will include the following topics:

- **Elementary Student Spotlight**
- **SCS Wellness Committee and the “Taste the Rainbow Challenge”**
- **SOAR Enrichment Programs**
- **Professional Development at SCS**

This meeting will take place on Thursday, March 28th, from 5:30-7:30 in the cafeteria. In order for us to plan for refreshments and babysitting(provided by the 8th grade), **please [click here to RSVP by March 21st](#)**. If you have any trouble with the form, please call (860-435-9871 ext. 100) or email Patti Stevens (pstevens@salisburycentral.org) to RSVP.

We thank you for considering our invitation to join this partnership and we look forward to seeing you at the March 28th meeting!

Sincerely,

Mrs. Stephanie Magyar
Principal SCS
