

Online Student Registration

1. Go to our school website.
2. Navigate to Forms
3. Navigate to Student Registration Forms
4. Go to class of 2024/Transfer Student
5. Click on School Office Pro Online registration
6. Create a family account
7. **Write down or remember the email and your password.** The school technology department can't reset it. Without that information you will not be able to access your forms
8. Click on Enrollment and fill all the forms. **If you are a transfer student , please select the correct entry grade and the year 2020-2021**
9. **Don't forget to submit**

If you don't have a social security number **you must put 111-11-1111**

If you don't have an email address, please create a new free **Gmail account.**

We will communicate only through this email address.

Please make sure there are no mistakes in it.
