

## Dear Member of the Saint Vincent Ferrer Class of 2024,

Welcome! We, the math department, are excited to have you join our school community. I hope that you are excited, also.

The supplies you will need are the following: For Algebra I/ or Geometry (I you are qualified)

(You are qualified if you were scheduled to take the Algebra I regents in June and have completed an Algebra I course in Middle School. We will monitor your progress early in the year to make sure you are properly placed in math.

- A notebook **uniquely designated for math.**
- Graph paper
- Loose leaf paper and a sturdy folder
- Pencil(s) with a good eraser, straightedge or small ruler
- Pen(s)
- Red pen to correct your work in class.
- **YOU WILL RECEIVE A TI-84 PLUS CALCULATOR VERY EARLY IN THE YEAR.**
- **For Geometry: add a compass, (and some colored pencils)**

For the summer, just to keep you in touch with your basic math skills and to prepare you for your math class in Algebra/ Geometry, I have set up a program for you to work on on-line for the summer. Essentially, for Algebra, it is to complete the first chapter of the textbook which should be review of your 8<sup>th</sup> grade math. For Geometry, we will do the introductory chapter as well as some algebra review.

All you need to do is to go to [www.pearsonrealize.com](http://www.pearsonrealize.com) or [savvasrealize.com](http://savvasrealize.com) and sign in with the following username and password information: The company is changing to a new name this summer It should be the latter link in July.

Your username is **Last name first initial 24 (no spaces); [ e.g. kuneshm24]**

Your password is **summermath24** For Algebra and **summermath24G** for those taking geometry

Your assignments will be listed for you to complete as you pace yourself through the summer. Send (submit) the work on line to me as you complete it. I will be able to see how you are doing and give you advice, if I need to. Please be faithful to it. If you complete the work satisfactorily, you will receive a grade of 100 on a first test of the first quarter in the fall!

**This will take a bit of time to set you all up as a class, so it will not be ready until July 1.**

After that, you will be set to go to work. If you have difficulty, please email me [mkunesh@saintvincentferrer.com](mailto:mkunesh@saintvincentferrer.com) or call at 212-535-4680, ext. 121.

**The deadline for submitting the work is September 14, 2020.**

**Have a wonderful summer. God bless you all and welcome to the Saint Vincent Ferrer Family!**

**Sister Martha Kunesh, O.P. Math Department  
Chairperson**
