August 20th 2018

Dear TTCS community:

The 2018-19 school year has started very well and as the second week of school starts there are a few reminders that will help us get into our important school year routines.

Our school is very full and we have successfully opened our NEW 7th grade at Zona Del Sol. The new teachers are a great addition to our school and we expect that we will be very in-demand as we move toward continued expansion in 2019 with grades 6-7 and 8 at the new site. Currently we have a few remaining openings in 7th grade. Please help us spread the word. There will be wait lists in the future.

Clubs and semester activities start this week.

Don't miss out on a variety of excellent after-school clubs (6weeks) and activities (15 weeks). We have art classes, band and jazz band after school and other creative and fun classes that start today (Monday August 20th). Sign up on the TTCS Website.

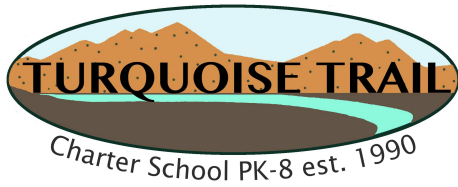

School starts at 7:45

We continue to emphasize that we want student here and classes must start on – time. The Tardy bell rings at 7:50. After 5 tardys you will get a letter that requires a meeting with teachers and administration.

School expansion and fundraising

TTCS has launched our 2018 **Expanding Excellent Education Campaign** that will run through October 13th, ending with the day of music at the Santa Fe brewing company. Our Goal is 90% participation of all families at TTCS and we hope to raise \$30,000. If we raise \$20,000, we have been promised a \$10,000 matching gift that will kick in and get us to our goal.

We are emphasizing **participation**, meaning its not the amount you give **but that you participate**. In order to emphasize all-school participation all grades will have a chance to compete to see what class will have the highest % of participation. The winning grade level class will be rewarded with a field trip of their choice- all expenses paid. Fill out **the attached pledge card** and help us move toward our goals. Foundations need to see that our parents support our efforts to expand our school. Help us get to 840 students and build the best Middle school in New Mexico.

Thank you to parents teachers and students for helping our school have a great start this year. We continue to improve as a school and we know TTCS is one of the best schools in Northern New Mexico.

Sincerely,

Ray Griffin
Head Administrator
