THANK YOU SO MUCH!

The Information Session at the Southside Library was a huge success! Thanks to the students and families who were able to participate. It meant a lot to us having so many students there to share their positive thoughts about TTMS. If you have friends looking for a middle school or 1st – 3rd grade classes, please direct them to the website to enroll for the lottery or click here:

PENCILS NEEDED!

Our supply of pencils has been exhausted – some kiddos request a pencil every day! We would appreciate some contributions to the pencil fund, and ask that students keep track of their supplies so we are not being wasteful. Thanks!
