

PTO meeting, October 25th, 2016

Attendance: 5 in attendance, 3 of which were officers, one parent, 2 teachers.

Treasurer: Clarification of travel pay back. If teacher requests some financial help and we approve, we do need to make sure the limit is understood by all parties involved.

Tasty Tuesday bumped up to 12dozen pastries and sold out! Still going strong.

Halloween Carnival: Coming together, there will be about 15 booths, 11 for teachers. Plenty of decorations and volunteers are coming in. Volunteers will have first access to the wristbands and receive one for doing at least one hour of volunteer work. They can help the teachers starting at 1pm on Friday. Jobs vary from set up and tear down, to booths, food, tickets and more.

Teachers with booths should make a sign with rules for their game and number of tickets to play. They also need a container for ticket and to hold prizes.

JoDee C is sending an email to all staff to help make posters to promote the event around the school.

Food will be frito pies and hot dogs, permit has been acquired and budget set at \$300. We will have popcorn, but cotton candy will depend on how many volunteers we have.

Movie Night: November 11th at 5:45 (movie starting at 6:15). Finding Nemo
Families can buy dinner from Tres Colores before the movie (they leave after the movie starts) and then enjoy popcorn and cotton candy during. Posters coming out soon.

WinterFest: Coming up on December 3rd 10am to 4pm. David H's Recorder Group might be performing, pending on parent permission. Still waiting to hear from Char about the Chorus. Jennifer Padilla is helping with promotion. Vendors are being recruited through flyers, craigslist and several different websites. Conflict with the Madrid Parade might affect attendance. Talk to Jen about a poster contest for the Indoor Snowball Fight.

Coats: Martinizing needs to be called and Tish or Francesca will deliver. Then given to Kelly to distribute to children in need.
