Dear Warriors,

While this year brings new challenges to the learning environment, rest assured that we are here to help you. As we work with you and your families to mirror face-to-face instruction, this semester will have the same instructional expectation and rigor as if you were here in the building with us.

Each school day, you must log into the Edgenuity platform and participate in online lessons and assignments during the hours of 7:45AM-2:30PM. We will check to see if you are actively working at 8:00AM, 11:00AM and 1:00PM. Please note that Edgenuity has a “tutor button” embedded into their platform that will allow you to ask questions and get assistance from one of their instructors.

Honors curriculum will be made available through Google Classroom. Students will receive login information to gain access to all Honors work. Please be aware of assignment expectations and deadlines. Honors curriculum will be in addition to Edgenuity work and will count as 20% of their final grade.

Each online student has been assigned a case manager. Your case manager will be making contact with you and your parents by email or by phone when needed. It’s important that you communicate any issues that may arise to your case manager. **Your case manager is Mr. Brooks Robins.**

To better assist you with your academic needs, we have created a three step process when assistance is needed.

- Step 1: Tutor button within the Edgenuity Platform
- Step 2: Visit Virtual Learning page on district website-www.tattnallschools.org/virtual learning
- Step 3: TCHS Content Specialist

If you need assistance from one of the content specialist below, please send them an email. They will reach back out to you at the time allotted below.

Time	Subject	Teacher	Email
7:45AM-9:05AM	Science	Brooks Robins	brobins@tattnall.k12.ga.us
9:30AM-10:50AM	Mathematics/Spanish	Ricardo Toledo	rtoldeo@tattnall.k12.ga.us
11:00AM-12:30PM	Language Arts	Jodie Wallis	jwallis@tattnall.k12.ga.us
1:10PM-2:30PM	Social Studies	Ashley Gholston	agholston@tattnall.k12.ga.us
District Virtual Learning Specialist		Dr. Nick Tatum,	ntatum@tattnall.k12.ga.us

Remember, if you have not joined your class grade level Remind account, it is a good idea to do so today. This will be the most convenient way for you to receive the latest information, school needs, and district updates.

Warrior Strong,

Lakisha R. Bobbitt, Ed.S.
Principal
