

Tattnall County High School

Dual Enrollment 2020-2021 Summer/Fall

The dual enrollment process is changing effective summer of 2020. Please follow the steps below to ensure that you are registered for the correct classes.

1: Sign up to receive Remind 101 messages from Mrs. Foreman.

Text: TCDE2021 To: 81010

2: Classes

All summer dual enrollment classes will be held online. Current 10th and 11th grade students can take classes over the summer.

3: DE Funding application (directions on next page)

Create an account (or log into your account) at www.gafutures.org and complete the online dual enrollment funding application. An application must be completed once each academic year and approved by High School Counselor each semester prior to registering for classes. Please note that everyone must do this regardless if you completed the paper copy earlier in the year. Parents are now required to sign off on this form electronically.

- The Student Participation Agreement (SPA) for the student and parent/guardian is completed electronically.
- Your GAfutures account profile will prepopulate the funding application. Be sure your GAfutures account profile has your correct information (legal name, email address, home address, social security number, and Date of Birth). If you do not have a valid social security number, when creating a GAfutures account profile, you will be assigned a temporary ID.
- Once completed, the application is valid for the academic year unless you change high schools.

3: Please pay close attention to mail, email, and messages received from the college and TCHS about summer courses.

- Contact Mrs. Foreman (sforeman@tattnall.k12.ga.us or Remind101) throughout this process with any questions or concerns.
- Summer DE students please notify me of the college you plan to attend and courses you are taking so I can verify we both have the same information.

Directions for completing the DE funding application
(Received from STC but can be used for all colleges)

To complete the application go to: <https://www.gafutures.org>

- **First-time Dual Enrollment students:**
At the top of the page, click on “Create an Account.”

NOTE: BE SURE TO ENTER YOUR NAME AND SOCIAL SECURITY NUMBER AS IT APPEARS ON YOUR SOCIAL SECURITY CARD.

The steps below pertain to all dual enrollment students (returning and new)

- Select “My Dual Enrollment Profile” to submit the funding application.
- Select “Apply Now”
- Select “Apply for Dual Enrollment” and verify profile information and select the school year (Ex: May 2020-April 2021), grade level, and college(s).
- Participation Agreement-read carefully and check all boxes, sign, and submit.
- Once you have completed your portion of the application, your parent/guardian will receive an email letter with a link included to electronically complete the Parent Participation Agreement section of your application. Your parent/guardian will need your application ID (that you receive upon completion of your application) or SSN and your birth date (mmddyyyy) to complete their portion of the application.
- Parent/guardian may also visit GAfutures.org select Dual Enrollment funding Application and select DE Parent Agreement to electronically sign the agreement.
- You may add college(s), resend parent acknowledgment email, or view my dashboard by clicking on your DE Profile and clicking Apply Now.
- Your high school counselor must approve your Dual Enrollment courses and funding application in order for you to be registered for classes.
