Parent Engagement and Communication - - notices sent to EL parents in home language whenever possible. EL parents are signed up for parent portal accounts by the school registrar at the county-wide EL parent meeting. Title I Plan and Compacts are translated into home language when possible for all parents. Translators can be scheduled to attend parent conferences and parent meetings (including the Annual Title I Meeting) to aid in translation. All schools have use of the TransAct website for translation help. All schools have ipad that can be used for voice to voice translation. Each spring EL parents are given a survey that indicates topics that they would like covered in their parent meetings the following year. Topics are discussed in EL parent meetings that would help the parents to provide academic assistance to their students.
