Senior Parent letter #9

6 /7/19

Dear Parents /Guardians,

I would first like to extend my thanks and appreciation to all our eighth-grade parents and students who have worked so hard in this rapidly moving school year. Our eighth-grade staff is excited about the upcoming senior events that we have slated for our graduating class of 2019.

This is the time of the school year that can be the most exciting and for some the most disheartening. Many of our students will soon find out their status as it relates to meeting their own promotional standards. However, all students must understand that they must finish out the school year strong to avoid summer school and retain that seat that awaits them at the next level. If your child is on our restricted senior activity list (formally Probation) they are **NOT ELIGIBLE** to attend **ANY** eighth-grade event. This does not include graduation as students must be in **good academic standing in order to attend**. This will be determined later this month. However, if a student is **MANDATED** for summer school, they will **NOT BE ALLOWED TO ATTEND THE GRADUATION CERMONY**. This is a DOE policy and our school cannot supersede this edict. Also, keep in mind there are **no refunds issued if your child** must attend Summer in The City.

Students will receive separate information for each individual event as those dates draw closer. For the parent's convenience we do have a senior advisor, Mr. R. Kessler, who can address any concerns you may have regarding senior activities. Feel free to contact him directly if you have any further questions. The dues remain **\$ 90.00** but we do advise all of our parents to please pay these funds as soon as possible. There are many plans and preparations that must be made in advance and these funds assist in securing these venues and time is running out. Some students did receive a restricted activity letter earlier this year. Parents will be notified and updated of their child's status prior to each senior event. **If you ARE NOT called by Mr. Acevedo, your child has not been removed from our Restricted Activity List.** At the end of this letter you will find two calendars. The first is upcoming dates in June as well as some **updated** senior events to keep in mind for our 8th grade events later this school year. Please be mindful that prior to any senior activity all dues (\$90.00) must be paid in full. I look forward to a successful academic end of the year for all of our seniors.

Our school sent home a letter last month to all grades regarding the proper attire to be worn during the remainder of this school year. As the weather begins to warm up some of our students take the liberty of "dressing down" on certain days. Proper attire **MUST** be worn as well as proper footwear. Slippers/slides for school are **NOT** permitted.

On behalf of myself, and the 8th grade staff here at I.S. 131, we would like to like once again thank you for your support. It has been our pleasure working and supporting your children this school year and we wish you and them well as they continue to the next leg of their educational journey- High School!

Respectfully yours,

Mr. Carlos L. Acevedo

8th Grade Assistant Principal
