Password: 135125

We are very excited to welcome Mrs. Hanin Hasweh to our school community. Hanin Hasweh is a veteran educator. She has worked at Future Leaders Elementary School - P.S. 74 since September of 2010. Ms. Hasweh has made an immediate and lasting effect on the members of the school family. She was one of the founding staff members as a pre-kindergarten teacher. Her responsibilities grew as she assumed the role of the Math Coach and then, as the first Assistant Principal four years ago. Ms. Hasweh has demonstrated her commitment to the school community and is always seeking ways to impact student achievement, teacher effectiveness, and community relationships. She is genuinely caring towards the students and their families, who come from various socio-economic, cultural, and racial backgrounds.
