

**Island Park UFSD and Island Park PTA  
2017-2018**

September 5, 2017

School policy requires snacks and food for distribution in school from the following lists (front and back). School policy also excludes all home baked/homemade items and items not on the list provided below. All items on this list are peanut and tree nut free. It does not represent all allergens. This list is posted on the district website for easy access on your smart phone. Though we appreciate many of our parents' generosity, we ask that you do not distribute "goody bags" with food at any celebration or special event.

**Please Note:** Snacks for classroom consumption must be in an original sealed snack bag with ingredients clearly labeled. If a snack is brought in a Ziploc bag, clear wrap, or foil and is otherwise labeled, the student may be asked to consume his/her snack in a separate location. Snacks brought in their "natural" state (fruits, vegetables, cheeses) will not be subject to this. These precautions are to ensure the safety of all students.
