## **Welcome and Introductions**

## **Discussion Items**

- Minutes from April 24, 2017 meeting were approved.
- Marley Goldman, the Leave Replacement for Guidance Counselor, Andrea Porzelt, further presented the 5<sup>th</sup> to 6<sup>th</sup> grade transition program. Letters were sent home to parents of the chosen grade 6 students. Those students were both proud and excited. A video was prepared by the students and grade teachers, demonstrating how to open a locker. Students prepared a Powerpoint presentation that they will present. Grade 6 students will also answer any question students may have about transitioning from grade 5.
- The Lowe's Toolbox for Education grant was approved and Mr. Randazzo congratulated the committee for a "job well done". The committee is the first to have a grant approved! As planned, monies will be applied to expanding the Maker space and to continue the vision that the grant was applied for. Ms. Costello will make a list of needed/desired items for the Maker space. Storage containers will be purchased. Costs will be carefully considered to stay within the parameters of the grant.
- To be sure all is in place, the members decided to hold another meeting on *June 12<sup>th</sup>* to discuss how and where we envision the grant to be applied.

The next and final meeting of the SBMT is scheduled for June 12, 2017.
