Discussion Items

- Posters to decorate the halls will be printed over the summer and hung for display in preparation for the first week of school.
- The Art Teacher will set selected pieces of art work aside so work may be framed and displayed in the halls.
- A member checked with Scholastic – they do not carry tact boards for the hallway.
- It was suggested that we reach out to the high schools to update the grade 8 hallway high school bulletin boards.
- Discussion also centered on items that are available to decorate the fence.
- Members will look into the availability of any applicable grants.

Thank you for your commitment.
