

# Happy Halloween

Dear Parents/Guardians:

We will be holding the **Miller Halloween Parade** on **Tuesday, October 31<sup>st</sup>** at **2:15 PM** on the high school track. There will be an activity in the library for those students who are not participating in the parade.

People attending the parade **MUST PARK AT THE ELKS CLUB OR THE HIGH SCHOOL** and go straight to the high school track. This year, parents will be directed to sit in the high school bleachers. The stands will be labeled by grade level and a surprise awaits you at the end of the parade. **PARENTS WILL NOT BE ALLOWED TO STAND ON THE TRACK.**

Once all the students have re-entered the school, parents may go to the classroom to sign their child out if they are picking them up after the event.

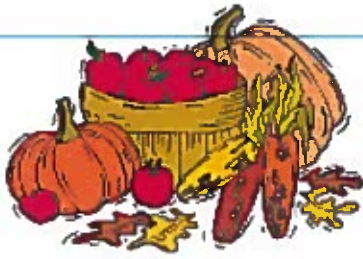

Please remember there are no masks, make-up, or weapons allowed. Students should bring their costumes in a bag and they will get dressed before the parade. Help will be provided!

Looking forward to seeing you there,

Maryellen Griffin  
Principal

Catie Leahy  
Assistant Principal
