

June 1, 2018

Dear Parents/Guardians,

On Friday, June, 15th the Francis X. Hegarty Student Council, with assistance of our Physical Education Department, will be sponsoring the **Hegarty Field Day and Barbeque**. This day is for **students only** because they have worked so hard this year.

In the morning, the PTA has arranged for all students to see an exciting show. Then, the boys and girls will be treated to a BBQ lunch of hamburgers and chips, compliments of the FXH Student Council. The PTA is generously providing drinks for our students too. Each child will receive one hamburger, one bag of chips and a bottle of water. Your child may also bring in his/her own lunch if he/she prefers. **The lunchroom will not be serving lunch that day.**

After lunch, the entire student body will partake in fun, fun, fun! There will be various stations set up that include field activities, an obstacle course, cotton candy, popcorn, music, skin art, and carnival games. (If your child has allergies to tempera paint, please let us know so we are sure to avoid painting his/her hands, arms, or face.) Also, please make sure that sunscreen is applied to your child before coming to school.

This year through a generous donation from the PTA, a t-shirt is being given to each student to wear on field day. The t-shirts will be given to the students on the morning of field day.

The FXH Student Council and Physical Education Department would like to take this opportunity to thank you for your support throughout the year. We are looking forward to loads of fun in the sun on June 15th!
