

Island Park Schools
Snack Permission Form

Dear Parent /Guardian;

The Island Park School District Food Service Department is looking forward to serving your children in the 2018-2019 school year. We want to ensure that we provide the best service in order to meet the needs of all our students. To better serve our students we are requesting parents' consent to limit the purchase of snacks.

There are several snack items students may purchase that are not part of the breakfast/lunch meal at additional cost. If you would like to limit your child's ability to purchase these items using funds from their account, please complete the form below and return it to your child's homeroom teacher. We will do our best to assist with this.

We wish everyone a successful school year.
