

DRESS DOWN DAY REMINDERS

At Sacred Heart School, we are happy to offer “Dress Down Days” as rewards for achieving certain goals, as a special birthday treat, or as occasional fundraisers. Certain days are designated as “dress down” days. Some days follow specific themes for dress. In order for students to participate, they must follow the directive as published for that particular theme day.

In the event a student does not dress per the theme of the day, he/she must wear the regular school uniform.

For non-themed dress-down days:

Dress down regulations: no skirts shorter than uniform skirt regulation, no tight fitting clothing, including leggings, jeggings, and yoga pants, no low cut tops, no tank tops, or crop tops. Jeans must fit properly without holes or tears. No athletic-type shorts or sweatpants. Rules for jewelry and makeup are in effect.

Students whom the school’s administrator deems are dressed inappropriately will receive a uniform violation notice, and may be required to leave school and return in the proper school uniform.
