**2018-2019 Uniform Policy Description:**

I have summarized some of the highlights of the Icahn policy on uniforms below—hopefully this will answer some of the questions you have regarding what the uniform will look like for **September 2018**.

**Tops:**

Short/long sleeved collared (polo) shirts in white. Shirts must be either tucked into skirts or pants or extend no lower than the top of the pants pocket (rear). Please note that long sleeve shirts will not be permitted to be worn under short sleeve polo. For colder temperatures, it is suggested that families purchase a white long sleeve polo shirt/blue sweater.

**Bottoms:**

For boys and girls: casual, dress or uniform pants sized to fit the student in a solid navy blue. (All other types of pants, including but not limited to jeans, overalls, cargo pants, painter pants, sweatpants, velour or other athletic pants or shorts, stretch pants, skinny pants, and sagging pants are **not permitted**.)

Please note that bottoms, pants, or skirts may be purchased from a vendor of your choice. Please be sure your selections are navy blue and meet the requirements listed above.

**For girls:** skirts or jumpers that are not more than 3" above the knee, sized to fit the student in solid navy blue may be worn. Tight fitting skirts or jumpers are not permitted. Tights or spandex type pants will not be permitted to be worn under shorts or skirts.

**Footwear:** Dress shoes, solid white or solid black sneakers, shoes or low cut black boots only. (Spiked, platform, slippers, flip-flops, slides, or other athletic-type footwear are not allowed.) Socks or stockings should be worn in either solid colors of white or navy blue.

On your child's scheduled gym day, either Thursday or Friday, your Child is encouraged to mirror the uniform dress code by wearing navy sweatpants and a white school appropriate shirt. Proper footwear is also strongly encouraged for this day

**Enforcement and Discipline:**

**Students who fail to meet compliance will not be permitted to attend classes until their clothing meets policy guidelines above.**

Let me also dispel the myth that on a half-day that you do not have to wear a uniform. This makes it seem as if it is a punishment to wear a uniform. It is not. It is the policy of the school that you come dressed in a uniform everyday unless instructed in writing not to do so.

Thanks for your support and focus on your child's achievement.
