NOTE: Days missed during family travel are not excluded from minimum attendance requirements. Students will not be excused from school to participate in educational trips during semester or term final exam days. If a parent or student insists on withdrawing prior to completing the examinations, the final grade will be determined by weighing the examination grade as a zero. The activity and/or travel shall be limited to five (5) school days and will not be permitted during administration of the PSSA tests.

I have read and understand the Yough School District policy concerning educational tours and trips. I hereby accept all responsibilities and conditions of approval for my child's absence from school during this period of travel.
