

Navajo Middle School

8th Grade Class

Class meeting held on February 26, 2018 from 8:40 am – 9:10 am

Elected officers in attendance were: Vice-President – Angelo Yazzie, Secretary – Kash Begay, Treasurer – Skylar Milford. There were also 39 students in attendance.

Discussion on 8th Grade fund raising activity on for the month of March was a discussed on what we should sell on Friday the 2nd of March. Ms. Haley will again distribute a list so that the students know what they need to bring. Ms. Haley explained that those with food handler's permits need to handle the food and those without need to do only the cash or be runners. Everyone needs to contribute for this to be a success the students were again reminded.

The Family Fun Night at Crystal Chapter house for the 6 of April from 6pm to 9pm has been approved by the District. Nicholas is supposed to bring the documents needed for the use of the facility. He told everyone that they needed to make sure they all pitched in to clean up. Again we need all the students to participate in this activity.

Ms. Haley let all the students know that Mr. Slover was there to talk to them about the 8th grade promotion ceremony that they all voted on not doing. Mr. Slover made it clear that it was actually for the parents and not the students. That the parents are the ones that will be proud of their student to have them succeed onto the next grade level which is the High School. The students took a few minutes to discuss this and the students all 39 of them said it was ok. They told Mr. Slover that he will gear head this event and do the 8th grade parent meetings. If the parents want this than the parents will be the one to set up the promotion ceremony and we, the students will attend on their behalf. Mr. Slover and Ms. Haley suggested on Thursday they can have a meeting at 6:00 pm at the school Cafeteria.

Ms. Haley said that her and Mr. Billy are there and would try and help them but they, the students have to do all the work for the fund raising events. They will be there to guide and direct for what they want to do for their class.

Respectfully submitted by Ms. Haley, Class Co-Sponsor
