

# Navajo Middle School

## 8<sup>th</sup> Grade Class

### **Class meeting held on January 29, 2018 from 8:05 am – 8:20 am**

*Elected officers in attendance were: President – Nicholas Begay, Vice-President – Angelo Yazzie, Secretary – Kash Begay, Treasurer – Skylar Milford. There were also 34 students in attendance.*

Discussion on 8<sup>th</sup> Grade fund raising activity took place. It was discussed that the class did good with the fund raising so far at the last two basketball games. There are no more games left in January for anymore game fund raising activities. However still in the future Students and Parents we really need the donated items to be sold for the fund raising. The students were informed on how much monies they have raised so far but still need to work hard toward their goal. We did good and the treasurer Skylar Milford has been counting the funds that have been made. We turn in the funds right away to Mr. Stepney.

Nicholas and Angelo were questioned about the fund raising events at the Crystal Chapter. Nicholas said that it would be good to do in April the first week and on a Friday evening. All the other class members agreed with this. Kash and Nicholas will check into using the facility at Crystal Chapter and check on what dates are available.

Ms. Haley asked the students what kind of fund raising do they want to do in March. The students decided on doing after school sales on Monday, Wednesday and Friday for the month of March when there is school. It was mentioned to all the students that everyone needs to contribute to this fund raising activity. All the students agreed on this activity so that Ms. Haley will turn in the necessary paperwork for approval.

Ms. Haley let all the students know how much funds have been raised so far and emphasized that all the students need to contribute because it is for each one of them. Students are getting excited about the Field Trip to Uncle Cliffs Place at the end of the year. Again it was iterated to the students that Ms. Haley and Mr. Billy are there and would try and help them but they, the students have to do all the work for the fund raising events. They will be there to guide and direct for what they want to do for their class.

Respectfully submitted by Ms. Haley, Class Co-Sponsor
