

Navajo Middle School

8th Grade Class

Class meeting held on February 15, 2018 from 8:30 am – 8:45 am

Elected officers in attendance were: President – Nicholas Begay, Vice-President – Angelo Yazzie, Secretary – Kash Begay, Treasurer – Skylar Milford. There were also 31 students in attendance.

Discussion on 8th Grade fund raising activity on February 14th, 2018 was a success although we had to do a refund and do dance in lieu of candy gram. Ms. Haley updated everyone on how much funds they all raised for the two events.

She also reminded them that we have no other fund raising activity until March 2, 2018. Which is the Monday, Wednesday and Friday after school concessions. Ms. Haley will again distribute a list so that the students know what they need to bring. Ms. Haley explained that those with food handler's permits need to handle the food and those without need to do only the cash or be runners. Everyone needs to contribute for this to be a success the students were again reminded.

Nicholas reported about the fund raising events at the Crystal Chapter. Nicholas said that he reserved the Crystal Chapter house for the 6 of April from 6pm to 9pm for the Family Fun Night Activity. Nicholas will get the documents needed for the use of the facility. He told everyone that they needed to make sure they all pitched in to clean up. Ms. Haley let Nicholas and students know that it is not official until the district approves the fund raising activity. Ms. Haley said she would do the paperwork to submit for final approval now she knows the exact dates and times to put on the documentation.

Ms. Haley let all the students know that there is another place called "The Event Center" that we could go to if they wanted to. She asked the students to think about it and we will discuss at the next meeting in more detail. She also let the students know that not one of them will be left out on this field trip because they have worked diligently to raise these funds to do this activity at school end.

Ms. Haley said that her and Mr. Billy are there and would try and help them but they, the students have to do all the work for the fund raising events. They will be there to guide and direct for what they want to do for their class.

Respectfully submitted by Ms. Haley, Class Co-Sponsor
