

April 24, 2020

Dear Parents/Guardians:

I hope this letter finds you and your family continuing to do well and enjoying the new synchronous learning experiences teachers are providing for your child to engage them while they are learning from home. Next week's schedule for these opportunities can be accessed by using the grade level links below. As a reminder, students will continue to get invited by their teacher through Google classroom, so the schedule will act as more of a guide to see what opportunities are planned for the week. Should you have any questions regarding the schedule or synchronous learning, please contact your teacher directly or contact me at rguccion@nanuetsd.org.

[Grade 7 Schedule](#)

[Grade 8 Schedule](#)

I would appreciate it if you could review the following guidelines for synchronous learning with your child to ensure that the experience for all students is as positive as possible.

- **Practice Social Distancing.** The reason we have turned to iLearning is to practice social distancing, in order to prevent the spread of the virus. Please do not congregate at each other's homes to do work, socialize, etc. — we want you to stay safe and healthy.
- **Everyone is visible in a live video meeting.** Students should dress appropriately and should be in a comfortable work space with their iPad or laptop. It should be a quiet place with minimal distraction. The background should be appropriate for a child's learning environment.
- **Focus and engage.** While in a synchronous videoconference, the microphone should be muted and released only when speaking in the virtual class. Keep your video conference platform open and do not navigate to other tabs or web pages unless directed by the teacher.
- **Respect.** Respect the privacy of other participants. Do not take screenshots or pictures of your teacher or fellow students. Do not make any audio or video recordings. These behaviors violate our policies and could result in disciplinary action. Also the use of headphones when engaging in a voice/video chat, will help to ensure the privacy of others.

I hope you have a pleasant weekend and have an opportunity to get outside and enjoy the spring weather.

Sincerely,

Roger Guccione
